

HB 1375-S2.E - DIGEST

(DIGEST AS ENACTED)

Requires community and technical colleges to: (1) No later than the first full quarter after a college has implemented the ctclink system, and to the maximum extent practicable, provide the following information to students during registration: The cost of required textbooks or other course materials and whether a course uses open educational resources; and

(2) Report to the state board for community and technical colleges which courses provided costs to students for textbooks and course materials during registration and what percent of total classes this equaled.

Provides that this act is null and void if appropriations are not approved.
