

**HB 1490-S - DIGEST**

(DIGEST AS ENACTED)

Eliminates the requirement that cities and towns report preservation rating information to the department of transportation or the transportation commission during the 2017-2019 fiscal biennium.

Requires the department of transportation, in consultation with cities, towns, and the transportation commission, to review the pavement preservation rating reporting requirements and recommend to the legislature whether a repeal of the report is warranted.
