

HB 1531-S.E - DIGEST

(DIGEST AS ENACTED)

Requires the department of natural resources to: (1) If the state creates a climate strategy, share information regarding the carbon sequestration benefits of the forest riparian easement program with other state programs using methods and protocols established in the state climate strategy that attempt to quantify carbon storage or account for carbon emissions; and

(2) Promote the expansion of funding for the forest riparian easement program and the ecosystem services supported by the program based on the findings stated in RCW 76.13.100.
