

HB 1587 - DIGEST

Requires the code reviser to establish a statewide rule-making information web site by December 31, 2018.

Requires the web site to include a searchable collection of all currently proposed agency rules indexed by topic, keyword, and agency name.

Requires an agency, upon receipt of a public comment received through the state rule-making web site, to respond by e-mail or letter to the person making the comment if he or she provided an e-mail or mailing address.
