

**HB 2010-S.E - DIGEST**

(DIGEST AS ENACTED)

Requires the department of natural resources, in order to prevent homelessness in a county located east of the crest of the Cascade mountain range that shares a common border with Canada and has a population of one hundred thousand or less and to strengthen the local capacity for controlling risk to life and property that may result from wildfires, administer funding to these counties for: (1) Radio communication equipment; and

(2) Fire protection service providers within these counties to provide residential wildfire risk reduction activities.

Authorizes the department of natural resources to transfer ownership of depreciated firefighting vehicles and related equipment to local fire districts in wildfire prone areas in the state and where the median household income is below the state average.
