

**HB 2027 - DIGEST**

Requires an adult family home inspection to include an interview with at least three neighborhood residents who live within five hundred feet of the adult family home to assess the home's ability to promote a residential home-like environment within the neighborhood.

Requires a licensed adult family home to have outdoor areas that are: (1) Safe for residents to use;

(2) Accessible to residents, caregivers, visitors, and fire services; and

(3) Well-maintained and uncluttered without an accumulation of garbage, debris, or offensive odors.
