

HB 2032 - DIGEST

Requires the human rights commission, in collaboration with the governor's committee on disability issues and employment, to convene and coordinate a work group to examine service animal issues in the state.

Requires the work group to gather information and develop recommendations regarding: (1) The use of service animals in housing settings;

(2) The differences between service animals and comfort or therapy animals;

(3) Intentional misrepresentation of pets as service animals; and

(4) Web sites and other vendors that promote and sell items that could be used to support misrepresentation of pets as service animals.
