

HB 2037-S - DIGEST

(DIGEST AS ENACTED)

Extends the expiration to August 1, 2018, for the work group convened by the council of presidents to explore ways to improve the process for students with disabilities when they are transferring between institutions of higher education.

Requires the work group to continue: (1) Developing a plan that focuses on removing obstacles for students with disabilities; and

(2) Addressing changing methods of delivering course content, availability of course materials in an accessible manner, and the supplemental course material provided by third parties.
