

HB 2092 - DIGEST

Prohibits an immunization exemption form, prepared by the department of health, from requiring a signator to: (1) Make detailed statements regarding his or her religious or philosophical objection to vaccination; or

(2) Provide a declaration regarding the potential risks of exempting the child from immunization.

Requires the form to indicate, for an exemption, that the signator is exercising his or her freedom of religion as guaranteed by the First Amendment to the United States Constitution and Article I, section 11 of the state Constitution.
