

HB 2251-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Addresses a public facilities district's authority with regard to: (1) Including an aquatics facility in its definition of "regional center"; and

(2) Ascertaining the order projects are executed through the use of an advisory ballot that reflects the preference of the voting public.

Prohibits certain public facilities districts created by a city or town bordered by both the Columbia and Snake rivers from making a facility, constructed after the effective date of this act, available to a prospective user for an event that is not open to the public if reasonably comparable private facilities are available within the boundaries of the public facilities district.
