

HB 2297-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Allows a person to register to vote at the division of elections if in a separate city from the county auditor's office, a voting center, or other location designated by the county auditor.

Extends the period for voter registration.

Requires the secretary of state to establish procedures to enable new or updated voter registrations to be recorded on an expedited basis.

Requires the voters' pamphlet to contain, for the 2018 general election, information in this act regarding the changes in the deadlines to register to vote.
