

**HB 2406-S.E - DIGEST**

(DIGEST AS ENACTED)

Provides available methods for the county auditor to use when conducting an audit on the results of votes cast.

Requires a manufacturer or distributor of a voting system or component that is certified by the secretary of state to disclose to him or her and the attorney general a breach of the security of its system.

Authorizes the secretary of state to decertify a voting system or component and withdraw authority for its future use or sale in the state if he or she determines that: (1) The system or component fails to meet the standards set forth in applicable federal guidelines or was materially misrepresented in the certification application; or

(2) The applicant has installed unauthorized modifications to the certified software or hardware.
