

**HB 2450 - DIGEST**

(SEE ALSO PROPOSED 1ST SUB)

Requires the department of children, youth, and families to: (1) Develop, in consultation with the statewide child care resource and referral network and the community and technical college system, a community-based training module for child care providers, which will be offered to providers as a pilot program in at least four communities; and

(2) Collaborate with the state board for community and technical colleges to align all or parts of the training module.

Requires the state board for community and technical colleges to work with community and technical college early childhood education programs to incorporate outcomes related to managing and sustaining a child care business into its early childhood education curriculum.
