

**HB 2559 - DIGEST**

Allows a person age twenty-one or over to possess no more than six marijuana plants and up to twenty-four ounces of usable marijuana harvested from plants lawfully grown on the premises of the housing unit occupied by the person in possession of the plants and marijuana.

Prohibits more than six plants from being grown or possessed on the premises of a single housing unit regardless of the number of residents living on the premises.

Allows a property owner to prohibit the cultivation of marijuana plants by a renter or lessee upon or within his or her property.
