

HB 2566 - DIGEST

Removes the requirement that the expenses incurred for implementing and administering the medical marijuana authorization database be paid from the health professions account.

Requires the legislature to annually appropriate money in the dedicated marijuana account as follows: An amount not less than three hundred thousand dollars to the department of health to administer the medical marijuana authorization database, as appropriated in the omnibus appropriations act.

Requires fees collected from the issuance of initial and renewal recognition cards issued by a marijuana retailer to be deposited into the dedicated marijuana account.
