

HB 2649 - DIGEST

(DIGEST AS ENACTED)

Requires the fish and wildlife commission to: (1) Enhance the fish, shellfish, and wildlife-related recreational opportunities for a person with a disability;

(2) Authorize the director to grant a disability designation to a person with a disability who meets eligibility criteria; and

(3) Adopt rules defining "person with a disability" for purposes of eligibility for disability designation which allows the person to participate in fish, shellfish, and wildlife-related recreational activities.
