

HB 2690-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Allows a port district to: (1) Construct a public work, by contract, without calling for bids if the estimated cost of the work or improvement, including cost of materials, supplies, and equipment, will not exceed the sum of forty thousand dollars; and

(2) Procure public works with a unit priced contract for the purpose of completing anticipated types of work based on hourly rates or unit pricing for one or more categories of work or trades.
