

HB 2878 - DIGEST

Declares that community members should be protected from pesticide exposure and notified of certain pesticide applications to prevent unnecessary exposure.

Requires a pesticide user to provide written notice of an intended pesticide application in accordance with certain requirements.

Requires the department of health to develop a list of individuals who apply to receive notification of pesticide applications on adjacent property.

Authorizes the department of health and the department of labor and industries to investigate and assess a civil fine in accordance with administrative procedures for certain violations of this act.

Prohibits the civil fine from exceeding seven thousand five hundred dollars.
