

HB 2997 - DIGEST

Modifies energy independence act provisions.

Finds and declares that: (1) Washington is the nation's leading producer of electricity from hydroelectric sources;

(2) Washington should continue its leadership in conservation, renewable energy, and climate change mitigation by increasing energy efficiency across the state and encouraging investment in the state's clean energy future; and

(3) Washington can promote energy independence, create high-quality jobs in the clean technology sector, maintain stable and affordable electric rates for customers, and protect clean air and water.
