16 On page 230, after line 22, insert the following:

17 "(3) \$100,000 of the general fund appropriation is provided solely
18 for the office of the superintendent of public instruction to study
19 the feasibility of a public secondary education institution in
20 Washington state that is focused on maritime education. Funds must be
21 used for initial planning and the creation of a not-for-profit
22 institution to continue the planning and development of the concept,
23 and will be added to funds already contributed by the port of Seattle.
24 The office of the superintendent of public instruction must work with
25 local public schools and the various labor groups and industry
26 associations representing maritime workers and business leaders."

27

1 Renumber remaining subsections consecutively and correct internal
2 references accordingly.

EFFECT: Transfers funding for a feasibility study on a public secondary education institution focused on maritime education from Statewide Programs within the Office of the Superintendent of Public Instruction to the Grants and Pass-Through Funding program of the Office of the Superintendent of Public Instruction.

FISCAL IMPACT: No net change to appropriated levels.
