10 "(10) \$3,084,000 of the general fund-state appropriation for
11 fiscal year 2020 and \$3,084,000 of the general fund-state
12 appropriation for fiscal year 2021 are provided solely for the
13 department to procure and install sixteen all-hazard alert broadcast
14 sirens to increase inundation zone coverage; and eighty-three seismic
15 monitoring stations and global navigation satellite systems that
16 integrate with the shakealert earthquake early warning system. The
17 department shall support an education and outreach program for public
18 awareness of the warning systems."

EFFECT: Provides \$6,168,000 for the Military Department to procure and install 16 all-hazard alert broadcast sirens to increase inundation zone coverage; and 83 seismic monitoring stations and global navigation satellite systems that integrate with the earthquake early warning system known as ShakeAlert. The funding also provides for a public education and outreach program to ensure people know how to respond following an alert from the warning systems.

FISCAL IMPACT:

Increases General Fund - State by \$6,168,000.
