

**SHB 1512** - H AMD 377

By Representative Shea

**NOT ADOPTED 03/12/2019**

1       On page 2, line 17, after "percent." insert "In establishing a net  
2 cost finding, the governing authority must identify the sources of  
3 information it relied upon, including peer-reviewed science."  
4

5       On page 3, line 3, after "percent." insert "In establishing a net  
6 cost finding, the commission of a public utility district must  
7 identify the sources of information it relied upon, including  
8 peer-reviewed science."  
9

10       On page 3, line 33, after "plan." insert "In developing its  
11 electrification of transportation plan, an electric utility must  
12 identify the sources of information it relied upon, including  
13 peer-reviewed science."

EFFECT: Requires electric utilities to identify peer-reviewed science relied upon in making cost-effectiveness determinations regarding investment in transportation electrification.
