

HB 1638 - H AMD 163

By Representative Kraft

WITHDRAWN 03/05/2019

1 On page 4, after line 16, insert the following:

2 "(4) To assure the public regarding the safety of these
3 immunization measures, providers administering vaccines shall record
4 the health status of their patients prior to any vaccine
5 administration and:

6 (a) Report to the vaccine adverse reporting system all adverse
7 events that follow for three years, whether or not the administrator
8 considers them vaccine-related; and

9 (b) Record in provider records all adverse events that follow for
10 three years, whether or not the administrator considers them
11 vaccine-related."

12

EFFECT: Requires providers administering vaccines to record the health status of their patients prior to any vaccine administration and to report to the Vaccine Adverse Reporting System and record in provider records all adverse events that follow for three years, regardless of whether the administrator considers them vaccine-related.
