

HB 1638 - H AMD 113

By Representative Young

ADOPTED 03/05/2019

1 On page 3, line 20, after "vaccine" insert ". The reasons for
2 which a health care practitioner may certify that a vaccine is not
3 advisable for a child include, but are not limited to, if the child
4 has a biological parent, brother, or sister, with a documented history
5 of immune system problems or a documented adverse reaction to a
6 particular vaccine required by rule of the state board of health"

7

EFFECT: Clarifies that the reasons for which a health care practitioner may certify that a vaccine is not advisable for a child include, but are not limited to, if the child has a biological parent, brother, or sister, with a documented history of immune system problems or a documented adverse reaction to a particular vaccine required by rule of the Board of Health.
