7 (a) Four community members, one appointed by each of the two
8 largest caucuses of the Senate and one appointed by each of the two
9 largest caucuses of the House of Representatives;

10 (b) Two members appointed by the governor from organizations
11 representing groups protected under RCW 9A.36.080; and

12 (c) One member appointed by the governor representing law
13 enforcement."

EFFECT: Modifies the membership of the multidisciplinary hate crime advisory working group by removing the membership in the underlying bill and instead establishing that the membership includes: (1) four community members, one appointed by each of the two largest caucuses of the Senate and the House of Representatives; (2) two members from organizations representing groups protected under the hate crime offense statute, appointed by the Governor; and (3) one member representing law enforcement, appointed by the Governor. Limits the working group membership to listed entities and persons, rather than providing that membership includes "at a minimum" listed groups. Removes language describing the intent of the working group to be a collaboration between government entities, members or vulnerable communities, and persons with lived experience relating to hate crimes, and requiring the working group to undertake its work with a view toward restorative justice.
