

2SHB 1965 - H AMD 1377

By Representative Mosbrucker

1 On page 4, line 36, after "settlement." strike all material
2 through "settlement" on page 5, line 5 and insert "If the agency
3 obtains a settlement over the alleged violation, the agency shall
4 notify the relator that the agency will not commence an action and the
5 settlement shall preclude further claims for the wages and benefits
6 covered by the settlement"

7

8

9

EFFECT: Modifies the criteria for an agency settlement to preclude further claims by removing the requirements that: (1) the settlement provide a full remedy of wages, benefits, and interest; and (2) payment is received in full prior to the end of the investigation period.
