1 On page 3, line 14, after "provides" strike all material through
2 "utility" and insert "both lower costs to residential electric rates
3 and less risk to the reliability of the grid,"

4 On page 5, line 8, after "provides" strike all material through
5 "utility" and insert "both lower costs to residential electric rates
6 and less risk to the reliability of the grid,"

EFFECT: Amends the definition of "beneficial electrification" such that it means electrification of an energy end-use in a way that provides both lower costs to residential electric rates and less risk to the reliability of the grid, rather than referring to the provision of a net benefit to the utility.
