By Senator Fortunato

**NOT ADOPTED 04/17/2019**

1 On page 3, beginning on line 35, after "practitioner" strike all  
2 material through "child" on line 38 and insert "~~((if the parent or~~  
3 ~~legal guardian demonstrates membership in a religious body or a~~  
4 ~~church in which the religious beliefs or teachings of the church~~  
5 ~~preclude a health care practitioner from providing medical treatment~~  
6 ~~to the child))~~"

EFFECT: Allows a parent or guardian to use any religious exemption without being required to obtain a signed statement from a health care practitioner stating the practitioner discussed the risks and benefits of immunization.
