 - $((\frac{(5)}{)})$ (e) Beginning with propositions for enrichment levies for collection in calendar year 2020 and thereafter, a district must receive approval of an enrichment levy expenditure plan under RCW 28A.505.240 before submission of the proposition to the voters.
 - $((\frac{(6)}{(6)}))$ (f) The superintendent of public instruction shall develop rules and regulations and inform school districts of the pertinent data necessary to carry out the provisions of this $((\frac{\text{section}}{(6)}))$ subsection (1).
 - (((7))) <u>(g)</u> Beginning with taxes levied for collection in 2018, enrichment levy revenues must be deposited in a separate subfund of the school district's general fund pursuant to RCW 28A.320.330, and for the 2018-19 school year are subject to the restrictions of RCW 28A.150.276 and the audit requirements of RCW 43.09.2856.
- $((\frac{(8)}{(8)}))$ (h) Funds collected from levies for transportation vehicles, construction, modernization, or remodeling of school facilities as established in RCW 84.52.053 are not subject to the levy limitations in $((\frac{\text{subsections}}{(1)}))$ (a) through $((\frac{(5)}{(5)}))$ (e) of this $((\frac{\text{section}}{(5)}))$ subsection.

- (2) (a) If each of sections 1, 3, 4, 5, and 6 of this act is enacted into law by August 1, 2019, beginning with taxes levied for collection in 2020, the maximum dollar amount which may be levied by or for any school district for enrichment levies under RCW 84.52.053 is equal to the lesser of two dollars and fifty cents per thousand dollars of the assessed value of property in the school district or the maximum per-pupil limit. This maximum dollar amount shall be reduced accordingly as provided under RCW 43.09.2856(2).
- 9 <u>(b) The definitions in this subsection (2)(b) apply to this</u>
 10 <u>subsection (2) unless the context clearly requires otherwise.</u>
 - (i) "Inflation" means the percentage change in the implicit price deflator for personal consumption expenditures for the United States for the prior calendar year as published in the November economic and revenue forecast by the economic and revenue forecast council or successor agency.
 - (ii) "Maximum per-pupil limit" means:

- (A) Two thousand five hundred dollars, as increased by inflation beginning with property taxes levied for collection in 2020, multiplied by the number of average annual full-time equivalent students enrolled in the school district in the prior school year, for school districts with fewer than forty thousand annual full-time equivalent students enrolled in the school district in the prior school year; or
- (B) Three thousand dollars, as increased by inflation beginning with property taxes levied for collection in 2020, multiplied by the number of average annual full-time equivalent students enrolled in the school district in the prior school year, for school districts with forty thousand or more annual full-time equivalent students enrolled in the school district in the prior school year.
- (iii) "Prior school year" means the most recent school year

 completed prior to the year in which the levies are to be collected.
- 32 (c) For districts in a high/nonhigh relationship, the enrollments
 33 of the nonhigh students attending the high school shall only be
 34 counted by the nonhigh school districts for purposes of funding under
 35 this subsection (2).
- (d) For school districts participating in an innovation academy cooperative established under RCW 28A.340.080, enrollments of students attending the academy shall be adjusted so that each participant district receives its proportional share of student enrollments for purposes of funding under this subsection (2).

- 1 (e) Beginning with propositions for enrichment levies for
 2 collection in calendar year 2020 and thereafter, a district must
 3 receive approval of an enrichment levy expenditure plan under RCW
 4 28A.505.240 before submission of the proposition to the voters.
- 5 (f) The superintendent of public instruction shall develop rules 6 and regulations and inform school districts of the pertinent data 7 necessary to carry out the provisions of this subsection (2).

- (g) Beginning with taxes levied for collection in 2018, enrichment levy revenues must be deposited in a separate subfund of the school district's general fund pursuant to RCW 28A.320.330, and for the 2018-19 school year are subject to the restrictions of RCW 28A.150.276 and the audit requirements of RCW 43.09.2856.
- (h) Funds collected from levies for transportation vehicles, construction, modernization, or remodeling of school facilities as established in RCW 84.52.053 are not subject to the levy limitations in (a) through (e) of this subsection.
- **Sec. 3.** RCW 28A.320.330 and 2018 c 266 s 302 are each amended to 18 read as follows:
- (1) If any of section 1, 2, 4, 5, or 6 of this act is not enacted into law by August 1, 2019, then school districts shall establish the following funds in addition to those provided elsewhere by law:
 - $((\frac{1}{1}))$ (a) $\underline{(i)}$ A general fund for the school district to account for all financial operations of the school district except those required to be accounted for in another fund.
 - ((\(\frac{(+b+)}{0}\)) (ii) By the 2018-19 school year, a local revenue subfund of its general fund to account for the financial operations of a school district that are paid from local revenues. The local revenues that must be deposited in the local revenue subfund are enrichment levies and transportation vehicle levies collected under RCW 84.52.053, local effort assistance funding received under chapter 28A.500 RCW, and other school district local revenues including, but not limited to, grants, donations, and state and federal payments in lieu of taxes, but do not include other federal revenues, or local revenues that operate as an offset to the district's basic education allocation under RCW 28A.150.250. School districts must track expenditures from this subfund separately to account for the expenditure of each of these streams of revenue by source, and must provide any supplemental expenditure schedules required by the

superintendent of public instruction or state auditor for purposes of RCW 43.09.2856.

- (((2))) (b) (i) A capital projects fund shall be established for major capital purposes. All statutory references to a "building fund" shall mean the capital projects fund so established. Money to be deposited into the capital projects fund shall include, but not be limited to, bond proceeds, proceeds from excess levies authorized by RCW 84.52.053, state apportionment proceeds as authorized by RCW 28A.150.270, earnings from capital projects fund investments as authorized by RCW 28A.320.310 and 28A.320.320, and state forest revenues transferred pursuant to ((subsection (3))) (c) of this ((section)) subsection.
- (ii) Money derived from the sale of bonds, including interest earnings thereof, may only be used for those purposes described in RCW 28A.530.010, except that accrued interest paid for bonds shall be deposited in the debt service fund.
- (iii) Money to be deposited into the capital projects fund shall include but not be limited to rental and lease proceeds as authorized by RCW 28A.335.060, and proceeds from the sale of real property as authorized by RCW 28A.335.130.
- (iv) Money legally deposited into the capital projects fund from other sources may be used for the purposes described in RCW 28A.530.010, and for the purposes of:
- ((\(\frac{(a)}{(a)}\)) (A) Major renovation and replacement of facilities and systems where periodical repairs are no longer economical or extend the useful life of the facility or system beyond its original planned useful life. Such renovation and replacement shall include, but shall not be limited to, major repairs, exterior painting of facilities, replacement and refurbishment of roofing, exterior walls, windows, heating and ventilating systems, floor covering in classrooms and public or common areas, and electrical and plumbing systems.
- $((\frac{b}{b}))$ (B) Renovation and rehabilitation of playfields, athletic fields, and other district real property.
- $((\frac{(c)}{(c)}))$ (C) The conduct of preliminary energy audits and energy audits of school district buildings. For the purpose of this $(\frac{(section)}{(section)})$ subsection (1):
- (((i))) <u>(I)</u> "Preliminary energy audits" means a determination of the energy consumption characteristics of a building, including the size, type, rate of energy consumption, and major energy using systems of the building.

(((ii))) (II) "Energy audit" means a survey of a building or complex which identifies the type, size, energy use level, and major energy using systems; which determines appropriate energy conservation maintenance or operating procedures and assesses any need for the acquisition and installation of energy conservation measures, including solar energy and renewable resource measures.

- (((iii))) (III) "Energy capital improvement" means the installation, or modification of the installation, of energy conservation measures in a building which measures are primarily intended to reduce energy consumption or allow the use of an alternative energy source.
- $((\frac{d}{d}))$ Those energy capital improvements which are identified as being cost-effective in the audits authorized by this $(\frac{section}{d})$ subsection (1).

purpose. The office of the superintendent of public instruction shall develop accounting guidelines for these transfers in accordance with internal revenue service regulations. Based on the district's most recent two-year history of general fund maintenance expenditures, funds used for this purpose may not replace routine annual preventive maintenance expenditures made from the district's general fund.

- (((3))) <u>(c)</u> A debt service fund to provide for tax proceeds, other revenues, and disbursements as authorized in chapter 39.44 RCW. State forestland revenues that are deposited in a school district's debt service fund pursuant to RCW 79.64.110 and to the extent not necessary for payment of debt service on school district bonds may be transferred by the school district into the district's capital projects fund.
- $((\frac{4}{}))$ (d) An associated student body fund as authorized by RCW 15 28A.325.030.
- $((\frac{(5)}{(5)}))$ <u>(e)</u> Advance refunding bond funds and refunded bond funds to provide for the proceeds and disbursements as authorized in chapter 39.53 RCW.
 - (2) If each of sections 1, 2, 4, 5, and 6 of this act is enacted into law by August 1, 2019, then school districts shall establish the following funds in addition to those provided elsewhere by law:
 - (a) (i) A general fund for the school district to account for all financial operations of the school district except those required to be accounted for in another fund.
 - (ii) By the 2018-19 school year, a local revenue subfund of its general fund to account for the financial operations of a school district that are paid from local revenues. The local revenues that must be deposited in the local revenue subfund are enrichment levies and transportation vehicle levies collected under RCW 84.52.053, local effort assistance funding received under chapter 28A.500 RCW, and other school district local revenues including, but not limited to, grants, donations, and state and federal payments in lieu of taxes, but do not include other federal revenues, or local revenues that operate as an offset to the district's basic education allocation under RCW 28A.150.250. School districts must track expenditures from this subfund separately to account for the expenditure of each of these streams of revenue by source, and must provide the supplemental expenditure schedules required

- by the superintendent of public instruction or state auditor, for
 purposes of RCW 43.09.2856.
 - (iii) Beginning in the 2019-20 school year, the superintendent of public instruction must require school districts to provide a supplemental expenditure schedule by revenue source that identifies the amount expended by object for each of the following supplementary enrichment activities beyond the state funded amount:
- 8 (A) Minimum instructional offerings under RCW 28A.150.220 or 28A.150.260 not otherwise included on other lines;
- 10 (B) Staffing ratios or program components under RCW 28A.150.260, 11 including providing additional staff for class size reduction beyond 12 class sizes allocated in the prototypical school model and additional 13 staff beyond the staffing ratios allocated in the prototypical school 14 formula;
- 15 (C) Program components under RCW 28A.150.200, 28A.150.220, or 16 28A.150.260, not otherwise included on other lines;
- 17 <u>(D) Program components to support students in the program of</u>

- 32 <u>(B) Renovation and rehabilitation of playfields, athletic fields,</u>
 33 <u>and other district real property.</u>
 - (C) The conduct of preliminary energy audits and energy audits of school district buildings. For the purpose of this subsection (2):
- 36 (I) "Preliminary energy audits" means a determination of the 37 energy consumption characteristics of a building, including the size, 38 type, rate of energy consumption, and major energy using systems of 39 the building.

(II) "Energy audit" means a survey of a building or complex which identifies the type, size, energy use level, and major energy using systems; which determines appropriate energy conservation maintenance or operating procedures and assesses any need for the acquisition and installation of energy conservation measures, including solar energy and renewable resource measures.

- (III) "Energy capital improvement" means the installation, or modification of the installation, of energy conservation measures in a building which measures are primarily intended to reduce energy consumption or allow the use of an alternative energy source.
- (D) Those energy capital improvements which are identified as being cost-effective in the audits authorized by this subsection (2).
- (E) Purchase or installation of additional major items of equipment and furniture: PROVIDED, That vehicles shall not be purchased with capital projects fund money.
- (F) (I) Costs associated with implementing technology systems, facilities, and projects, including acquiring hardware, licensing software, and online applications and training related to the installation of the foregoing. However, the software or applications must be an integral part of the district's technology systems, facilities, or projects.
- (II) Costs associated with the application and modernization of technology systems for operations and instruction including, but not limited to, the ongoing fees for online applications, subscriptions, or software licenses, including upgrades and incidental services, and ongoing training related to the installation and integration of these products and services. However, to the extent the funds are used for the purpose under this subsection (2) (b) (iv) (F) (II), the school district shall transfer to the district's general fund the portion of the capital projects fund used for this purpose. The office of the superintendent of public instruction shall develop accounting guidelines for these transfers in accordance with internal revenue service regulations.
- (G) Major equipment repair, painting of facilities, and other major preventative maintenance purposes. However, to the extent the funds are used for the purpose under this subsection (2)(b)(iv)(G), the school district shall transfer to the district's general fund the portion of the capital projects fund used for this purpose. The office of the superintendent of public instruction shall develop accounting guidelines for these transfers in accordance with internal

- 1 revenue service regulations. Based on the district's most recent two-
- year history of general fund maintenance expenditures, funds used for 2
- 3 this purpose may not replace routine annual preventive maintenance
- expenditures made from the district's general fund. 4
- (c) A debt service fund to provide for tax proceeds, other 5 6 revenues, and disbursements as authorized in chapter 39.44 RCW. State
- 7 forestland revenues that are deposited in a school district's debt
- service <u>fund pursuant to RCW 79.64.110</u> and to the extent not 8
- necessary for payment of debt service on school district bonds may be 9
- transferred by the school district into the district's capital 10
- projects fund. 11
- 12 (d) An associated student body fund as authorized by RCW
- 13 28A.325.030.
- 14 (e) Advance refunding bond funds and refunded bond funds to
- provide for the proceeds and disbursements as authorized in chapter 15
- 16 39.53 RCW.
- **Sec. 4.** RCW 43.09.2856 and 2018 c 266 s 406 are each amended to 17 18 read as follows:
- (1) (a) If any of section 1, 2, 3, 5, or 6 of this act is not 19
- enacted into law by August 1, 2019, then beginning with the 2019-20 20
- 21 school year, to ensure that school district local revenues are used
- 22 solely for purposes of enriching the state's statutory program of
- basic education, the state auditor's regular financial audits of 23
- 24 school districts must include a review of the expenditure of school
- 25 district local revenues for compliance with RCW 28A.150.276,
- including the spending plan approved by the superintendent of public 26
- 27 instruction under RCW 28A.505.240 and its implementation, and any
- 28 supplemental contracts entered into under RCW 28A.400.200.
- $((\frac{(2)}{(2)}))$ (b) If an audit under (a) of this subsection (1) ((of 29
- this section)) results in findings that a school district has failed
- 31 to comply with these requirements, then within ninety days of
- completing the audit the auditor must report the findings to the 32
- superintendent of public instruction, the office of financial 33
- management, and the education and operating budget committees of the 34
- 35 legislature.

- The use of the state allocation provided for 36 $((\frac{(3)}{(3)}))$ <u>(c)</u>
- professional learning under RCW 28A.150.415 must be audited as part 37
- 38 of the regular financial audits of school districts by the state

1 auditor's office to ensure compliance with the limitations and 2 conditions of RCW 28A.150.415.

- (2) (a) If each of sections 1, 2, 3, 5, and 6 of this act is enacted into law by August 1, 2019, then beginning with the 2019-20 school year, to ensure that school district local revenues are used solely for purposes of enriching the state's statutory program of basic education, the state auditor's regular financial audits of school districts must include a review of the expenditure of school district local revenues for compliance with RCW 28A.150.276, including the spending plan approved by the superintendent of public instruction under RCW 28A.505.240 and its implementation, and any supplemental contracts entered into under RCW 28A.400.200. The audit must also include a review of the expenditure schedule and supporting documentation required by RCW 28A.320.330(2)(a)(iii).
- (b) If an audit under this subsection (2) results in findings that a school district has failed to comply with these requirements, then within ninety days of completing the audit the auditor must report the findings to the superintendent of public instruction, the office of financial management, and the education and operating budget committees of the legislature. If the superintendent of public instruction receives a report of findings from the state auditor that an expenditure of a school district is out of compliance with the requirements of RCW 28A.150.276, and the finding is not resolved in the subsequent audit, the maximum taxes levied for collection by the school district under RCW 84.52.0531 in the following calendar year shall be reduced by the expenditure amount identified by the state auditor.
- (c) The use of the state allocation provided for professional learning under RCW 28A.150.415 must be audited as part of the regular financial audits of school districts by the state auditor's office to ensure compliance with the limitations and conditions of RCW 28A.150.415.
- **Sec. 5.** RCW 28A.710.270 and 2016 c 241 s 127 are each amended to read as follows:
- 35 (1) If any of section 1, 2, 3, 4, or 6 of this act is not enacted into law by August 1, 2019, then the state legislature shall, at each regular session in an odd-numbered year, appropriate from the Washington opportunity pathways account for the current use of charter public schools amounts as determined in accordance with RCW Code Rev/PW:amh

 15 S-4406.1/19

- 28A.710.280, and amounts authorized under RCW 28A.710.230(1), for state support to charter schools during the ensuing biennium.
- 3 (2) If each of sections 1, 2, 3, 4, and 6 of this act is enacted 4 into law by August 1, 2019, then the state legislature shall, at each
- 5 regular session in an odd-numbered year, appropriate from the
- 6 Washington opportunity pathways account for the current use of
- 7 charter public schools amounts as determined in accordance with RCW
- 8 <u>28A.710.280</u>, and amounts authorized under RCW <u>28A.710.230(1)</u> and
- 9 28A.500.015, for state support to charter schools during the ensuing
- 10 biennium.

- 11 **Sec. 6.** RCW 28A.710.150 and 2016 c 241 s 115 are each amended to 12 read as follows:
 - (1) (a) If any of section 1, 2, 3, 4, or 5 of this act is not enacted into law by August 1, 2019, then a maximum of forty charter public schools may be established under this chapter over the five-year period commencing with April 3, 2016. No more than eight charter schools may be established in any year during the five-year period, except that if in any year fewer than eight charter schools are established, additional charter schools, equal in number to the difference between the number established in that year and eight, may be established in subsequent years during the five-year period.
 - $((\frac{(2)(a)}{a}))$ <u>(b)(i)</u> To ensure compliance with the limits for establishing new charter schools, certification from the state board of education must be obtained before final authorization of a charter school.
- (((b))) <u>(ii)</u> Within ten days of taking action to approve or deny 26 27 an application under RCW 28A.710.140, an authorizer must submit a report of the action to the applicant and the state board of 28 29 education. The report must include a copy of the authorizer's 30 resolution setting forth the action taken, the reasons for the 31 decision, and assurances of compliance with the procedural requirements and application elements under RCW 28A.710.130 and 32 28A.710.140. The authorizer must also indicate whether the charter 33 school is designed to enroll and serve at-risk student populations. 34 The state board of education must establish, for each year in which 35 charter schools may be authorized as part of the timeline to be 36 established pursuant to RCW 28A.710.140, the latest annual date by 37 38 which the authorizer may submit the report. The state board of 39 education must send to each authorizer notice of the date by which a

report must be submitted at least six months before the date established by the board.

((\(\frac{(3)}{3}\)) (c) Upon the receipt of notice from an authorizer that a charter school has been approved, the state board of education shall certify whether the approval is in compliance with the limits on the maximum number of charters allowed under ((\(\frac{\text{subsection}}{(1)}\))) (a) of this ((\(\frac{\text{section}}{(1)}\))) (a) subsection. If the board receives simultaneous notification of approved charters that exceed the annual allowable limits in ((\(\frac{\text{subsection}}{(1)}\))) (a) of this ((\(\frac{\text{section}}{(1)}\))) subsection, the board must select approved charters for implementation through a lottery process, and must assign implementation dates accordingly.

 $((\frac{4}{1}))$ <u>(d)</u> The state board of education must notify authorizers when the maximum allowable number of charter schools has been reached.

(2) (a) If each of sections 1, 2, 3, 4, and 5 of this act is enacted into law by August 1, 2019, then a maximum of forty charter public schools may be established under this chapter. No more than eight charter schools may be established in any year, except that if in any year fewer than eight charter schools are established, additional charter schools, equal in number to the difference between the number established in that year and eight, may be established in subsequent years.

(b) (i) To ensure compliance with the limits for establishing new charter schools, certification from the state board of education must be obtained before final authorization of a charter school.

(ii) Within ten days of taking action to approve or deny an application under RCW 28A.710.140, an authorizer must submit a report of the action to the applicant and the state board of education. The report must include a copy of the authorizer's resolution setting forth the action taken, the reasons for the decision, and assurances of compliance with the procedural requirements and application elements under RCW 28A.710.130 and 28A.710.140. The authorizer must also indicate whether the charter school is designed to enroll and serve at-risk student populations. The state board of education must establish, for each year in which charter schools may be authorized as part of the timeline to be established pursuant to RCW 28A.710.140, the latest annual date by which the authorizer may submit the report. The state board of education must send to each authorizer notice of the date by which a report must be submitted at least six months before the date established by the board.

- 1 (c) Upon the receipt of notice from an authorizer that a charter school has been approved, the state board of education shall certify 2 whether the approval is in compliance with the limits on the maximum 3 number of charters allowed under (a) of this subsection. If the board 4 receives simultaneous notification of approved charters that exceed 5 6 the annual allowable limits in (a) of this subsection, the board must select approved charters for implementation through a lottery 7 process, and must assign implementation dates accordingly. 8

 - <u>EFFECT:</u> (1) Provides local effort assistance (LEA) to charter schools and state-tribal compact schools. LEA is equal to the actual enrichment levy per student in the prior school year for the school district in which the school is located, multiplied by the school's prior year enrollment. The maximum per-student amount of \$1,500 is eliminated.
 - (2) Eliminates the five-year period during which charter schools may be established.
