

SSB 5322 - S AMD 115

By Senator Fortunato

ADOPTED 03/04/2019

1 On page 2, line 8, after "act." insert "The department shall
2 evaluate whether the number of dischargers subject to this section
3 warrants the adoption of a general permit for motorized or gravity
4 siphon aquatic mining. If so, the department is directed to minimize
5 the cost to permit applicants by basing general permit provisions on
6 existing general permits adopted in other states to comply with the
7 federal clean water act."

EFFECT: Requires the department of ecology to evaluate whether a general permit should be adopted and, if so, to minimize the cost to permit applicants by basing the provisions of the general permit on general permits adopted in other states.
