

SB 5887 - S AMD 157
By Senator Short

ADOPTED 03/06/2019

1 On page 1, beginning on line 17, after "and" strike "~~are subject~~
2 ~~to quantitative treatment limits of the health plan~~)" and insert
3 "~~are~~) subject to quantitative treatment limits of the health plan"

4 On page 1, beginning on line 20, after "patient's" strike
5 "chiropractor or other primary care" and insert "treating or
6 referring"

EFFECT: (1) Reinstates the ability for a carrier to subject an initial evaluation and management visit and up to 6 treatment visits to quantitative treatment limits; and

(2) Permits a patient's treating or referring provider, as opposed to chiropractor or other primary care provider, to determine medical necessity or appropriateness for purposes of receiving treatment visits.
