ADOPTED 02/17/2020

1 On page 3, line 23, after "uniform" strike "guidelines" and
2 insert "standards"

3 On page 3, beginning on line 24, after "determining" strike all
4 material through "assistance" on line 28 and insert "when a patient's
5 current health status requires a referral for consultation or
6 treatment outside the department. These standards must be based on
7 the health care community standard of care to ensure medical
8 referrals for consultation or treatment are timely and promote
9 optimal patient outcomes"

EFFECT: Clarifies that DOC must consult with HCA to develop and implement uniform standards for determining when a patient's current health status requires a referral for consultation or treatment outside DOC; and requires the standards to be based on the health care community standard of care.
