

SSB 6147 - S AMD 974
By Senator Zeiger

NOT ADOPTED 02/17/2020

1 Beginning on page 1, line 15, after "fish life" strike all
2 material through "structure." on page 2, line 5 and insert ". The
3 department may apply the same conditions to permits for replacement
4 of marine residential shoreline stabilization projects as are applied
5 to permits for new marine residential shoreline stabilization
6 projects."

EFFECT: Removes the specific descriptions of least impactful alternatives in order of preference and adds that the Department may apply the same conditions to marine residential stabilization replacement projects as new projects.
