**Brief Description:** Making a technical correction for the disposition of off-road vehicle moneys.

**Sponsors:** Representatives Paul, Walsh and Shewmake.

<p style="text-align: center;"><b>Brief Summary of Bill</b></p> <ul style="list-style-type: none"><li>• Corrects a technical drafting error in the statute governing the disposition of fees collected for off-road vehicle registrations, permits, and decals.</li></ul>
---

**Hearing Date:** 2/18/19

**Staff:** Mark Matteson (786-7145).

**Background:**

A person seeking to use an off-road vehicle on either a temporary or permanent basis must obtain a permit or else register the vehicle with the Department of Licensing (DOL). A person registering an off-road vehicle must obtain a decal that serves the same function as a license plate for on-road vehicles. A fee is required for a temporary permit, registration, or decal. Fees must be distributed to the Recreation and Conservation Funding Board at least once a year for the purposes of off-road recreation facilities. The DOL may retain a portion of the proceeds, not to exceed 18 percent of collections, for the administration of the DOL's obligations under the chapter of law governing off-road, nonhighway, and wheeled all-terrain vehicles.

In 2010 the Legislature enacted a law that reorganized the body of law governing vehicle and vessel registration and titling. In the section of the law governing the disposition of fees collected for off-road vehicle registrations, permits, and decals, the references to the chapter of law governing off-road, nonhighway, and wheeled all-terrain vehicles were inadvertently left uncorrected.
