HB 2736

Brief Description: Concerning the retirement age for state guard members.

Sponsors: Representatives Kilduff, Klippert and Leavitt.

Brief Summary of Bill

- Eliminates the age restriction for enlistment with the Washington State Guard.
- Expands the Adjutant General's ability to extend the service age of an active member of the Washington State Guard beyond existing limits and under certain conditions.

Hearing Date: 1/29/20

Staff: Cassie Jones (786-7303).

Background:

The Washington State Guard (Guard) is a military unit organized by the Washington State Military Department. Members of the Guard are volunteers and serve under the direction of the state's Adjutant General. Guard members are available to serve the Governor in place of the National Guard in the event that the National Guard in Washington is called into federal service. The Governor may also call the Guard into state service in other instances, including natural disasters, search and rescue, or recovery operations.

The period of enlistment in the Guard is set by rules adopted by the Adjutant General. However, the term of service must be completed before the applicant reaches age 64. The Adjutant General may extend the service age upon request by an active member of the Guard if the Adjutant General determines the member's extension would be in the best interest of the Guard. Extensions are for a one-year duration and may be renewed until the member attains age 68.

Summary of Bill:

This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not a part of the legislation nor does it constitute a statement of legislative intent.

The age limit on enlistment to the Guard is eliminated. The Adjutant General has full discretion to decide the period of enlistment for Guard members. The Adjutant General may extend the service age upon request by an active member of the Guard if the Adjutant General determines that the extension is in the best interest of the Guard. Extensions have a one-year duration and may be renewed beyond the age of 64 if:

- the member is physically and mentally capable of completing all assigned mission tasks; and
- the Washington State Guard Officer Review Board recommends the extension.

Appropriation: None.

Fiscal Note: Available.

Effective Date: The bill takes effect 90 days after adjournment of the session in which the bill is passed.
