4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 **Sec. 1.** RCW 28A.300.542 and 2016 c 157 s 2 are each amended to  
6 read as follows:

7 (1) Subject to the availability of amounts appropriated for this  
8 specific purpose, the office of the superintendent of public  
9 instruction shall create a competitive grant process to evaluate and  
10 award state-funded grants to school districts to increase  
11 identification of (~~homeless~~) students experiencing homelessness and  
12 the capacity of the districts to provide support(~~(, which may include~~  
13 ~~education liaisons, for homeless students)~~) for students experiencing  
14 homelessness. Funds may be used in a manner that is complementary to  
15 federal McKinney-Vento funds and consistent with allowable uses as  
16 determined by the office of the superintendent of public instruction.  
17 The process must complement any similar federal grant program or  
18 programs in order to minimize agency overhead and administrative  
19 costs for the superintendent of public instruction and school  
20 districts. School districts may access both federal and state funding

1 to identify and support (~~homeless~~) students experiencing  
2 homelessness.

3 (2) Award criteria for the state grants must be based on the  
4 demonstrated need of the school district and may consider the number  
5 or overall percentage, or both, of homeless children and youths  
6 enrolled in preschool, elementary, and secondary schools in the  
7 school district, and the ability of the local school district to meet  
8 these needs. Award criteria for these must also be based on the  
9 quality of the applications submitted. (~~Preference~~) Selected  
10 grantees must reflect geographic diversity across the state. Greater  
11 weight must be given to districts that demonstrate a commitment to:

12 (a) Partnering with local housing and community-based  
13 organizations with experience in serving the needs of students  
14 experiencing homelessness or students of color;

15 (b) Serving the needs of unaccompanied youth; and

16 (c) Implementing evidence-informed strategies to address the  
17 opportunity gap and other systemic inequities that negatively impact  
18 students experiencing homelessness and students of color. Specific  
19 strategies may include, but are not limited to:

20 (i) Enhancing the cultural responsiveness of current and future  
21 staff;

22 (ii) Ensuring all staff, faculty, and school employees are  
23 actively trained in trauma-informed care;

24 (iii) Providing inclusive programming by intentionally seeking  
25 and utilizing input from the population being served;

26 (iv) Using a multidisciplinary approach when serving students  
27 experiencing homelessness and their families;

28 (v) Intentionally seeking and utilizing input from the families  
29 and students experiencing homelessness about how district policies,  
30 services, and practices can be improved; and

31 (vi) Identifying data elements and systems needed to monitor  
32 progress in eliminating disparities in academic outcomes for students  
33 experiencing homelessness with their housed peers.

34 (3) At the end of each academic year, districts receiving grants  
35 (~~must measure during the academic year how often each student~~  
36 physically moves, what services families or unaccompanied youth could  
37 access, and whether or not a family or unaccompanied youth received  
38 stable housing by the end of the school year)) shall monitor and  
39 report on the academic outcomes for students served by the grants.  
40 The academic outcomes are those recommended by the office of the

1 superintendent of public instruction. The office of the  
2 superintendent of public instruction shall review the reports  
3 submitted by the districts and assist school districts in using these  
4 data to identify gaps and needs, and develop sustainable strategies  
5 to improve academic outcomes for students experiencing homelessness.

6 (4) (~~Homeless~~) Students experiencing homelessness are defined  
7 as students without a fixed, regular, and adequate nighttime  
8 residence (~~(as set forth)~~) in accordance with the definition of  
9 homeless children and youths in the federal McKinney-Vento homeless  
10 (education) assistance act ((P.L. 100-77; 101 Stat. 482)), 42  
11 U.S.C. Sec. 11431 through 11435.

12 (5) School districts may not use funds allocated under this  
13 section to supplant existing federal, state, or local resources for  
14 (~~homeless student~~) supports for students experiencing homelessness,  
15 which may include education liaisons.

16 (6) Grants awarded to districts under this section may be for two
