State of Washington

66th Legislature

2020 Regular Session

1 AN ACT Relating to higher education funding options for dreamers;
2 adding a new chapter to Title 28B RCW; and providing an effective
3 date.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** (1) The legislature recognizes that
6 students seeking to attend an institution of higher education or to
7 receive training at a technical college have a variety of ways to
8 fund their education. Students who meet Washington state residency
9 requirements have access to state-funded financial aid programs such
10 as the Washington college grant, college bound, and running start.
11 While state residents have access to these state-sponsored financial
12 aid options, not all state residents are eligible to receive federal
13 financial aid such as the Pell grant or subsidized and unsubsidized
14 student loans. Students who rely solely on state financial aid or
15 scholarships might have difficulty in affording the remaining cost of
16 attendance that student loans could fund.

17 (2) Therefore, the legislature intends to increase access to
18 those students who are ineligible for federal financial aid by
19 creating a state-funded and state-administered student loan program.
20 The legislature intends for the undocumented student support loan
21 program to provide students loans that are competitive with federal

1 student loans and offer multiple options for repayment including
2 adjusted monthly payments based on income.
