

SB 5421 - DIGEST

Requires a retail community pharmacy that requests to enter into a contractual agreement to join a retail pharmacy network to be considered part of a pharmacy benefit manager's retail pharmacy network for purposes of an enrollee's or dependent's right to choose where to purchase covered prescription drugs if certain conditions are met.

Requires a health benefit plan or pharmacy benefit manager, if a retail community pharmacy enters into a contractual retail pharmacy network agreement, to permit each enrollee and dependent, at their option, to fill a covered prescription that may be obtained by mail at a retail community pharmacy of his or her choice within the pharmacy benefit manager's retail pharmacy network.
