BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. (1) The legislature finds that Washington benefits from its outstanding university research and health care delivery for cancer patients. The legislature finds that Washington state's citizens and its economy are benefited from the ability to attract and retain private, not-for-profit cancer research and health care delivery institutions. The legislature finds it is in the interest of the citizens of the state of Washington to promote collaboration between public universities and private not-for-profit entities in health care that will provide the highest level of cancer care for patients and advance the prevention, treatment, and cure of cancer through advanced research. The legislature intends to foster the development of cooperative and collaborative arrangements between
institutions of higher education and private nonprofit comprehensive
cancer centers, for the effective and efficient delivery of cancer-
related clinical care and as a platform to further advance cancer-
related education and research.

(2) Further, the legislature intends that private nonprofit
comprehensive cancer centers are not hindered in entering into such
collaborations that would benefit the state of Washington and its
residents by the application of certain laws governing state
agencies.

(3) The legislature intends that private nonprofit comprehensive
cancer centers in such collaborative arrangements are not state
entities, or quasi-government entities, as a result of any such
collaborative arrangement so long as the parties to the collaborative
arrangement operate in conformance with section 2 of this act. The
legislature further intends that employees of such private nonprofit
entities are not state employees as a result of the collaboration so
long as the parties to the collaborative arrangement operate in
conformance with section 2 of this act.

(4) The legislature intends to maintain existing responsibilities
that state institutions of higher education, as state agencies, owe
to the citizens of the state, including but not limited to being
subject to state audit and public records requirements, and
preserving assets in the interest of the citizens of the state. Further, the legislature intends for private comprehensive cancer
centers to retain their private status as they enter into the
collaborative agreements with state institutions of higher education,
described herein. The legislature intends that collaborations between
state institutions of higher education and comprehensive cancer
centers be governed by contractual arrangements that address, as
necessary and appropriate, the intellectual property rights and
obligations of the state.

NEW SECTION. Sec. 2. A new section is added to chapter 28B.10
RCW to read as follows:

(1) To facilitate a public-private collaborative arrangement
between a comprehensive cancer center and an institution of higher
education and maintain the independence of the comprehensive cancer
center as a nonprofit private entity, a comprehensive cancer center
that is operated in conformance with subsection (3) of this section
is not:
(a) A state agency, state employer, quasi-government entity, or
the functional equivalent of a state entity for any purpose under
Washington law;

(b) Subject to any obligation or duty of a state agency, state
employer, or quasi-government entity under any Washington law; and

solely because of an entity's status as a state agency, but is
subject to generally applicable state laws and rules and local
ordinances, resolutions, and rules.

(2) Employees of a comprehensive cancer center that is operated
in conformance with subsection (3) of this section are not employees
of a state agency, nor have any right or entitlement to any benefits
conferred upon employees of a state agency.

(3)(a) For purposes of this act, and to ensure that a
comprehensive cancer center maintains its character as a nonpublic
entity, a comprehensive cancer center must not:

(i) Perform an exclusively governmental function, but perform
cancer research and medical treatment that are traditionally
performed by both governmental and nongovernmental entities;

(ii) Receive a majority of its operations funding from the
government of the state of Washington or its agencies or
institutions, but perform research and medical services under
contract to both governmental and nongovernmental entities;

(iii) Be subject to day-to-day management by any state agency or
institution of higher education; and

(iv) Be created solely by a state agency or an institution of
higher education.

(b) For purposes of this act, and to ensure that the employees of
a comprehensive cancer center are at no times employees of a state
agency or institution of higher education, state employer, quasi-
government entity, or the functional equivalent of a state entity, no
state agency or institution of higher education, nor the employees,
designees, or agents of a state agency or institution of higher
education, may:

(i) Directly exercise employer management over comprehensive
cancer center employees' day-to-day operation of the comprehensive
cancer center;
(ii) Solely determine the compensation, benefits, and working conditions of comprehensive cancer center employees for their comprehensive cancer center employment; or

(iii) Engage in collective bargaining, the ratification of collective bargaining agreements as an employer, or other discussion with the exclusive bargaining representatives of the employees of a comprehensive cancer center related to comprehensive cancer center employees.

(4) For the purposes of this act, the following definitions apply:

No county may enact, enforce, or maintain an ordinance, regulation, or rule that regulates or otherwise treats a comprehensive cancer center participating in a collaborative arrangement as defined in section 2 of this act that is operated in conformance with section 2 of this act as a state agency. Such a comprehensive cancer center is still subject to ordinances, regulations, and rules that are generally applicable in nature.

NEW SECTION. Sec. 4. A new section is added to chapter 35.21 RCW to read as follows:

No city or town may enact, enforce, or maintain an ordinance, regulation, or rule that regulates or otherwise treats a comprehensive cancer center participating in a collaborative arrangement as defined in section 2 of this act that is operated in conformance with section 2 of this act as a state agency. (c) Service not to exceed six consecutive months of probationary service rendered after April 1, 1949, and prior to becoming a member, in the case of any member, upon payment in full by such member of the total amount of the employer's contribution to the retirement fund which would have been required under the law in effect when such probationary service was rendered if the member had been a member during such period, except that the amount of the employer's contribution shall be calculated by the director based on the first month's compensation earnable as a member;

the same employer following termination. Mere expressions or
inquiries about postretirement employment by an employer or employee
that do not constitute a commitment to reemploy the employee after
retirement are not an agreement under this subsection.

(37)(a) "Service" for plan 1 members, except as provided in RCW
41.40.088, means periods of employment in an eligible position or
positions for one or more employers rendered to any employer for
which compensation is paid, and includes time spent in office as an
elected or appointed official of an employer. Compensation earnable
earned in full time work for seventy hours or more in any given
calendar month shall constitute one service credit month except as
provided in RCW 41.40.088. Compensation earnable earned for less than
seventy hours in any calendar month shall constitute one-quarter
service credit month of service except as provided in RCW 41.40.088.
Only service credit months and one-quarter service credit months
shall be counted in the computation of any retirement allowance or
other benefit provided for in this chapter. Any fraction of a year of
service shall be taken into account in the computation of such
retirement allowance or benefits. Time spent in standby status,
whether compensated or not, is not service.

(i) Service by a state employee officially assigned by the state
on a temporary basis to assist another public agency, shall be
considered as service as a state employee: PROVIDED, That service to
any other public agency shall not be considered service as a state
employee if such service has been used to establish benefits in any
other public retirement system.

(ii) An individual shall receive no more than a total of twelve
service credit months of service during any calendar year. If an
individual is employed in an eligible position by one or more
employers the individual shall receive no more than one service
credit month during any calendar month in which multiple service for

of sick leave as creditable service solely for the purpose of
determining eligibility to retire under RCW 41.40.180 as authorized
by RCW 28A.400.300. For purposes of plan 1 "forty-five days" as used
in RCW 28A.400.300 is equal to two service credit months. Use of less
than forty-five days of sick leave is creditable as allowed under
this subsection as follows:
(A) Less than twenty-two days equals one-quarter service credit month;
(B) Twenty-two days equals one service credit month;
(C) More than twenty-two days but less than forty-five days equals one and one-quarter service credit month.
(iv) Reduction efforts such as furloughs, reduced work hours, mandatory leave without pay, temporary layoffs, or other similar situations as contemplated by subsection (6)(c)(iii) of this section do not result in a reduction in service credit that otherwise would have been earned for that month of work, and the member shall receive the full service credit for the hours that were scheduled to be worked before the reduction.
(b) "Service" for plan 2 and plan 3 members, means periods of employment by a member in an eligible position or positions for one or more employers for which compensation earnable is paid. Compensation earnable earned for ninety or more hours in any calendar month shall constitute one service credit month except as provided in RCW 41.40.088. Compensation earnable earned for at least seventy hours but less than ninety hours in any calendar month shall constitute one-half service credit month of service. Compensation earnable earned for less than seventy hours in any calendar month shall constitute one-quarter service credit month of service. Time spent in standby status, whether compensated or not, is not service.
Any fraction of a year of service shall be taken into account in the computation of such retirement allowance or benefits.
