AN ACT Relating to vacation leave accrual for public employees; amending RCW 43.01.044, 41.32.010, 41.40.010, 43.43.120, and 28A.400.300; reenacting and amending RCW 43.01.040; adding a new section to chapter 28A.400 RCW; and creating a new section.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. The legislature finds that the COVID-19 pandemic has emphasized the need for employees to have access to leave for their own use and to comply with employer requirements for quarantine and isolation. Educators and public employees have been exposed at work and have needed to use leave when dependents are ill or exposed to the virus, sometimes leading to multiple instances of required isolation and quarantine, draining the leave balances of many employees. It is the intent of the legislature to allow employees to accumulate more leave to recognize the burdens that have been placed on frontline workers during the pandemic.

Sec. 2. RCW 43.01.040 and 2017 c 168 s 1 and 2017 c 167 s 1 are each reenacted and amended to read as follows:

Each subordinate officer and employee of the several offices, departments, and institutions of the state government shall be entitled under their contract of employment with the state government
to not less than eight hours of vacation leave with full pay for each
month of employment.

Each such subordinate officer and employee shall be entitled
under such contract of employment to not less than eight additional
hours of vacation with full pay each year for satisfactorily
completing the first two, three, and five continuous years of
employment respectively.

Such part-time officers or employees of the state government who
are employed on a regular schedule of duration of not less than one
year shall be entitled under their contract of employment to that
fractional part of the vacation leave that the total number of hours
of such employment bears to the total number of hours of full-time
employment.

Each subordinate officer and employee of the several offices,
departments, and institutions of the state government shall be
entitled under his or her contract of employment with the state
government to accrue unused vacation leave not to exceed ((two
hundred forty)) 280 hours. However, employees of the Washington state
ferries covered by collective bargaining agreements containing
provisions in effect on June 30, 2017, allowing accrual of unused
vacation leave not to exceed three hundred twenty hours shall be
allowed to continue the higher accrual limit until such time as those
provisions are modified through collective bargaining, or the
bargaining unit changes its exclusive representative or is
decertified. Officers and employees transferring within the several
offices, departments, and institutions of the state government shall
be entitled to transfer such accrued vacation leave to each
succeeding state office, department, or institution. All vacation
leave shall be taken at the time convenient to the employing office,
department, or institution: PROVIDED, That if a subordinate officer's
or employee's request for vacation leave is deferred by reason of the
convenience of the employing office, department, or institution, and
a statement of the necessity therefor is retained by the agency, then
the aforesaid maximum ((two hundred forty)) 280 hours of accrued
unused vacation leave shall be extended for each month said leave is
so deferred.

Sec. 3. RCW 43.01.044 and 2017 c 167 s 2 are each amended to
read as follows:
As an alternative, in addition to the provisions of RCW 43.01.040 authorizing the accumulation of vacation leave in excess of (two hundred forty) 280 hours with the filing of a statement of necessity, vacation leave in excess of (two hundred forty) 280 hours may also be accumulated as provided in this section but without the filing of a statement of necessity. The accumulation of leave under this alternative method shall be governed by the following provisions:

1. Each subordinate officer and employee of the several offices, departments, and institutions of state government may accumulate the vacation leave hours between the time (two hundred forty) 280 hours is accrued and his or her anniversary date of state employment.

2. All vacation hours accumulated under this section shall be used by the anniversary date and at a time convenient to the employing office, department, or institution. If an officer or employee does not use the excess leave by the anniversary date, then such leave shall be automatically extinguished and considered to have never existed.

3. This section shall not result in any increase in a retirement allowance under any public retirement system in this state.

4. Should the legislature revoke any benefits or rights provided under this section, no affected officer or employee shall be entitled thereafter to receive such benefits or exercise such rights as a matter of contractual right.

5. Vacation leave credit acquired and accumulated under this section shall never, regardless of circumstances, be deferred by the employing office, department, or institution by filing a statement of necessity under the provisions of RCW 43.01.040.

6. Notwithstanding any other provision of this chapter, on or after July 24, 1983, a statement of necessity for excess leave shall, (as at) at a minimum, include the following: (a) The specific number of hours of excess leave; and (b) the date on which it was authorized. A copy of any such authorization shall be sent to the department of retirement systems.

(B) If a leave of absence, without pay, is taken by a member for the purpose of serving as a member of the state legislature, and such member has served in the legislature five or more years, the salary which would have been received for the position from which the leave of absence was taken shall be considered as compensation earnable if the employee's contribution thereon is paid by the employee. In addition, where a member has been a member of the state legislature for five or more years, earnable compensation for the member's two highest compensated consecutive years of service shall include a sum not to exceed thirty-six hundred dollars for each of such two consecutive years, regardless of whether or not legislative service was rendered during those two years.

(iv) For members employed less than full time under written contract with a school district, or community college district, in an instructional position, for which the member receives service credit of less than one year in all of the years used to determine the

(i) Retroactive payments to an individual by an employer on reinstatement of the employee in a position or payments by an employer to an individual in lieu of reinstatement in a position which are awarded or granted as the equivalent of the salary or wages which the individual would have earned during a payroll period shall be considered earnable compensation, to the extent provided above, and the individual shall receive the equivalent service credit.
(ii) In any year in which a member serves in the legislature the member shall have the option of having such member's earnable compensation be the greater of:

(A) The earnable compensation the member would have received had such member not served in the legislature; or

(c) In calculating earnable compensation under (a) or (b) of this subsection, the department of retirement systems shall include:
