AN ACT Relating to enacting an excise tax on gains from the sale or exchange of certain capital assets; adding a new section to chapter 82.04 RCW; adding a new section to chapter 82.32 RCW; adding a new chapter to Title 82 RCW; creating new sections; prescribing penalties; and declaring an emergency.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Part I
Capital Gains Tax

NEW SECTION. Sec. 101. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Adjusted capital gain" means federal net long-term capital gain:
(a) Plus any amount of long-term capital loss from a sale or exchange that is exempt from the tax imposed in this chapter, to the extent such loss was included in calculating federal net long-term capital gain;
(b) Plus any amount of long-term capital loss from a sale or exchange that is not allocated to Washington under section 107 of
this act, to the extent such loss was included in calculating federal
net long-term capital gain;
(c) Plus any amount of loss carryforward from a sale or exchange
that is not allocated to Washington under section 107 of this act, to
the extent such loss was included in calculating federal net long-
term capital gain;
(d) Less any amount of long-term capital gain from a sale or
exchange that is not allocated to Washington under section 107 of
this act, to the extent such gain was included in calculating federal
net long-term capital gain; and
(e) Less any amount of long-term capital gain from a sale or
exchange that is exempt from the tax imposed in this chapter, to the
extent such gain was included in calculating federal net long-term
capital gain.
(2) "Capital asset" has the same meaning as provided by Title 26
U.S.C. Sec. 1221 of the internal revenue code and also includes any
other property if the sale or exchange of the property results in a
gain that is treated as a long-term capital gain under Title 26
U.S.C. Sec. 1231 or any other provision of the internal revenue code.
(3) "Federal net long-term capital gain" means the net long-term
capital gain reportable for federal income tax purposes determined as
if Title 26 U.S.C. Secs. 1400Z-1 and 1400Z-2 of the internal revenue
code did not exist.
(4) "Individual" means a natural person.
(5) "Internal revenue code" means the United States internal
revenue code of 1986, as amended, as of the effective date of this
section, or such subsequent date as the department may provide by
rule consistent with the purpose of this chapter.
(6) "Long-term capital asset" means a capital asset that is held
for more than one year.
(7) "Long-term capital gain" means gain from the sale or exchange
of a long-term capital asset.
(8) "Long-term capital loss" means a loss from the sale or
exchange of a long-term capital asset.
(9) "Real estate" has the same meaning as in RCW 82.45.032.
(10)(a) "Resident" means an individual:
(i) Who is domiciled in this state during the taxable year,
unless the individual (A) maintained no permanent place of abode in
this state during the entire taxable year, (B) maintained a permanent
place of abode outside of this state during the entire taxable year,
and (C) spent in the aggregate not more than 30 days of the taxable year in this state; or

   (ii) Who is not domiciled in this state during the taxable year, but maintained a place of abode and was physically present in this state for more than 183 days during the taxable year.

   (b) For purposes of this subsection, "day" includes any portion of a day, except that a continuous period of 24 hours or less may not constitute more than one day.

   (c) An individual who is a resident under (a) of this subsection is a resident for that portion of a taxable year in which the individual was domiciled in this state or maintained a place of abode in this state.

   (11) "Taxable year" means the taxpayer's taxable year as determined under the internal revenue code.

   (12) "Taxpayer" means an individual subject to tax under this chapter.

   (13) "Washington capital gains" means an individual's adjusted capital gain less $250,000 for each return filed under this chapter.

NEW SECTION. Sec. 102. (1) Beginning January 1, 2022, an excise tax is imposed on the sale or exchange of long-term capital assets. Only individuals are subject to payment of the tax, which equals seven percent multiplied by an individual's Washington capital gains.

   (2) If an individual's Washington capital gains are less than zero for a taxable year, no tax is due under this section and no such amount is allowed as a carryover for use in the calculation of that individual's adjusted capital gain, as defined in section 101(1) of this act, for any taxable year. To the extent that a loss carryforward is included in the calculation of an individual's federal net long-term capital gain and that loss carryforward is directly attributable to losses from sales or exchanges allocated to this state under section 107 of this act, the loss carryforward is included in the calculation of that individual's adjusted capital gain for the purposes of this chapter. An individual may not include any losses carried back for federal income tax purposes in the calculation of that individual's adjusted capital gain for any taxable year.

   (3)(a) The tax imposed in this section applies to the sale or exchange of long-term capital assets owned by the taxpayer, whether the taxpayer was the legal or beneficial owner of such assets at the
time of the sale or exchange. The tax applies when the Washington
capital gains are recognized by the taxpayer in accordance with this
chapter.

(b) For purposes of this chapter, an individual is considered to
be a beneficial owner of long-term capital assets held by an entity
that is a pass-through or disregarded entity for federal tax
purposes, such as a partnership, limited liability company, S
corporation, or trust, to the extent of the individual's ownership
interest in the entity as reported for federal income tax purposes.

NEW SECTION. Sec. 103. This chapter does not apply to the sale
or exchange of:

(1) All real estate;

(2) Assets held under a retirement savings account under Title 26
U.S.C. Sec. 401(k) of the internal revenue code, a tax-sheltered
annuity or custodial account described in Title 26 U.S.C. Sec. 403(b)
of the internal revenue code, a deferred compensation plan under
Title 26 U.S.C. Sec. 457(b) of the internal revenue code, an
individual retirement account or individual retirement annuity
described in Title 26 U.S.C. Sec. 408 of the internal revenue code, a
Roth individual retirement account described in Title 26 U.S.C. Sec.
408A of the internal revenue code, an employee defined contribution
program, an employee defined benefit plan, or a similar retirement
savings vehicle;

(3) Assets pursuant to, or under imminent threat of, condemnation
proceedings by the United States, the state or any of its political
subdivisions, or a municipal corporation;

(4) Cattle, horses, or breeding livestock held for more than 12
months if for the taxable year of the sale or exchange, more than 50
percent of the taxpayer's gross income for the taxable year,
including from the sale or exchange of capital assets, is from
farming or ranching;

(5) Agricultural land by an individual who has regular,
continuous, and substantial involvement in the operation of the
agriculture that meets the criteria for material participation in an
activity under Title 26 U.S.C. Sec. 469(h) of the internal revenue
code for the 10 years prior to the date of the sale or exchange of
the agricultural land;

(6) Property used in a trade or business if the property is
depreciable under Title 26 U.S.C. Sec. 167 of the internal revenue

p. 4 SSB 5096
code, or qualifies for expensing under Title 26 U.S.C. Sec. 179 of
the internal revenue code;

(7) Timber, timberland, or the receipt of Washington capital
gains as dividends and distributions from real estate investment
trusts derived from gains from the sale or exchange of timber and
timberland. "Timber" means forest trees, standing or down, on
privately or publicly owned land, and includes Christmas trees and
short-rotation hardwoods. The sale or exchange of timber includes the
cutting or disposal of timber qualifying for capital gains treatment
under Title 26 U.S.C. Sec. 631(a) or (b) of the internal revenue
code; and

(8) Goodwill received from the sale of an auto dealership
licensed under chapter 46.70 RCW whose activities are subject to
chapter 46.96 RCW.

NEW SECTION. Sec. 104. The tax imposed under this chapter is in
addition to any other taxes imposed by the state or any of its
political subdivisions, or a municipal corporation, with respect to
the same sale or exchange, including the taxes imposed in, or under
the authority of, chapter 82.04, 82.08, 82.12, 82.14, 82.45, or 82.46
RCW.

NEW SECTION. Sec. 105. In computing tax, there may be deducted
from the measure of tax amounts that the state is prohibited from
taxing under the Constitution of this state or the Constitution or
laws of the United States.

NEW SECTION. Sec. 106. (1) In computing tax under this chapter
for a taxable year, a taxpayer may deduct from the measure of tax the
amount of adjusted capital gain derived in the taxable year from the
sale of substantially all of the fair market value of the assets of,
or the transfer of substantially all of the taxpayer's interest in, a
qualified family-owned small business, to the extent that such
adjusted capital gain would otherwise be included in the taxpayer's
Washington capital gains.

(2) For purposes of this section, the following definitions
apply:

(a) "Assets" means real property and personal property, including
tangible personal property and intangible property.
(b) "Family" means the same as "member of the family" in RCW 83.100.046.

c(i) "Materially participated" means an individual was involved in the operation of a business on a basis that is regular, continuous, and substantial.

(ii) The term "materially participated" must be interpreted consistently with the applicable treasury regulations for Title 26 U.S.C. Sec. 469 of the internal revenue code, to the extent that such interpretation does not conflict with any provision of this section.

d) "Qualified family-owned small business" means a business:

(i) In which the taxpayer held a qualifying interest for at least eight years immediately preceding the sale or transfer described in subsection (1) of this section;

(ii) In which the taxpayer or his or her family member materially participated in operating the business for at least five of the eight years immediately preceding the sale or transfer described in subsection (1) of this section, unless such sale or transfer was to a qualified heir;

(iii)(A) That had no more than 50 full-time employees at any time during the 12-month period immediately preceding the sale or transfer described in subsection (1) of this section.

(B) For purposes of this subsection (2)(d)(iii), "full-time employee" means an employee who is, or any combination of employees who are, paid by the business for at least 1,820 hours of employment, including paid leave, for the 12-month period described in (d)(iii)(A) of this subsection (2); and

(iv) That had worldwide gross revenue of $6,000,000 or less in the 12-month period immediately preceding the sale or transfer described in subsection (1) of this section.

e) "Qualified heir" means a member of the taxpayer's family.

f) "Qualifying interest" means:

(i) An interest as a proprietor in a business carried on as a sole proprietorship; or

(ii) An interest in a business if at least:

(A) Fifty percent of the business is owned, directly or indirectly, by the taxpayer and members of the taxpayer's family;

(B) Thirty percent of the business is owned, directly or indirectly, by the taxpayer and members of the taxpayer's family, and at least:
Seventy percent of the business is owned, directly or indirectly, by members of two families; or

Ninety percent of the business is owned, directly or indirectly, by members of three families.

"Substantially all" means at least 90 percent.

NEW SECTION. Sec. 107. (1) For purposes of the tax imposed under this chapter, long-term capital gains and losses are allocated to Washington as follows:

(a) Long-term capital gains or losses from the sale or exchange of real property are allocated to this state if the real property is located in this state or a majority of the fair market value of the real property is located in this state.

(b) Long-term capital gains or losses from the sale or exchange of tangible personal property are allocated to this state if the property was located in this state at the time of the sale or exchange. Long-term capital gains or losses from the sale or exchange of tangible personal property are also allocated to this state even though the property was not located in this state at the time of the sale or exchange if:

(i) The property was located in the state at any time during the taxable year in which the sale or exchange occurred or the immediately preceding taxable year;

(ii) The taxpayer was a resident at the time the sale or exchange occurred; and

(iii) The taxpayer is not subject to the payment of an income or excise tax legally imposed on the adjusted capital gains by another taxing jurisdiction.

(c) Long-term capital gains or losses derived from intangible personal property are allocated to this state if the taxpayer was domiciled in this state at the time the sale or exchange occurred.

(2)(a) A credit is allowed against the tax imposed in section 102 of this act equal to the amount of any legally imposed income or excise tax paid by the taxpayer to another taxing jurisdiction on capital gains derived from capital assets within the other taxing jurisdiction to the extent such capital gains are included in the taxpayer's Washington capital gains. The amount of credit under this subsection may not exceed the total amount of tax due under this chapter, and there is no carryback or carryforward of any unused credits.
(b) As used in this section, "taxing jurisdiction" means a state of the United States other than the state of Washington, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, or any foreign country or political subdivision of a foreign country.

NEW SECTION. Sec. 108. (1)(a) Except as otherwise provided in this section or RCW 82.32.080, taxpayers owing tax under this chapter must file, on forms prescribed by the department, a return with the department on or before the date the taxpayer's federal income tax return for the taxable year is required to be filed.

(b)(i) Except as provided in (b)(ii) of this subsection (1), returns and all supporting documents must be filed electronically using the department's online tax filing service or other method of electronic reporting as the department may authorize.

(ii) The department may waive the electronic filing requirement in this subsection for good cause as provided in RCW 82.32.080.

(2) In addition to the Washington return required to be filed under subsection (1) of this section, taxpayers owing tax under this chapter must file with the department on or before the date the federal return is required to be filed a copy of the federal income tax return along with all schedules and supporting documentation.

(3) Each taxpayer required to file a return under this section must, without assessment, notice, or demand, pay any tax due thereon to the department on or before the date fixed for the filing of the return, regardless of any filing extension. The tax must be paid by electronic funds transfer as defined in RCW 82.32.085 or by other forms of electronic payment as may be authorized by the department. The department may waive the electronic payment requirement for good cause as provided in RCW 82.32.080. If any tax due under this chapter is not paid by the due date, interest and penalties as provided in chapter 82.32 RCW apply to the deficiency.

(4) The department may by rule require that certain individuals and other persons file, at times and on forms prescribed by the department, informational returns for any period.

(5) If a taxpayer has obtained an extension of time for filing the federal income tax return for the taxable year, the taxpayer is entitled to the same extension of time for filing the return required under this section if the taxpayer provides the department, before the due date provided in subsection (1) of this section, the
extension confirmation number or other evidence satisfactory to the
department confirming the federal extension. An extension under this
subsection for the filing of a return under this chapter is not an
extension of time to pay the tax due under this chapter.

(6)(a) If any return due under subsection (1) of this section,
along with a copy of the federal income tax return, is not filed with
the department by the due date or any extension granted by the
department, the department must assess a penalty in the amount of
five percent of the tax due for the taxable year covered by the
return for each month or portion of a month that the return remains
unfiled. The total penalty assessed under this subsection may not
exceed 25 percent of the tax due for the taxable year covered by the
delinquent return. The penalty under this subsection is in addition
to any penalties assessed for the late payment of any tax due on the
return.

(b) The department must waive or cancel the penalty imposed under
this subsection if:

(i) The department is persuaded that the taxpayer's failure to
file the return by the due date was due to circumstances beyond the
taxpayer's control; or

(ii) The taxpayer has not been delinquent in filing any return
due under this section during the preceding five calendar years.

**NEW SECTION. Sec. 109.** (1) If the federal income tax
liabilities of both spouses are determined on a joint federal return
for the taxable year, they must file a joint return under this
chapter.

(2) Except as otherwise provided in this subsection, if the
federal income tax liability of either spouse is determined on a
separate federal return for the taxable year, they must file separate
returns under this chapter. State registered domestic partners may
file a joint return under this chapter even if they filed separate
federal returns for the taxable year.

(3) In any case in which a joint return is filed under this
section, the liability of each spouse or state registered domestic
partner is joint and several, unless:

(a) The spouse is relieved of liability for federal tax purposes
as provided under Title 26 U.S.C. Sec. 6015 of the internal revenue
code; or
(b) The department determines that the domestic partner qualifies for relief as provided by rule of the department. Such rule, to the extent possible without being inconsistent with this chapter, must follow Title 26 U.S.C. Sec. 6015.

NEW SECTION. Sec. 110. Except as otherwise provided by law and to the extent not inconsistent with the provisions of this chapter, chapter 82.32 RCW applies to the administration of taxes imposed under this chapter.

NEW SECTION. Sec. 111. (1) Any taxpayer who knowingly attempts to evade payment of the tax imposed under this chapter is guilty of a class C felony as provided in chapter 9A.20 RCW.

(2) Any taxpayer who knowingly fails to pay tax, make returns, keep records, or supply information, as required under this title, is guilty of a gross misdemeanor as provided in chapter 9A.20 RCW.

NEW SECTION. Sec. 112. The legislature intends that any provision of this chapter found to be ambiguous by any court of competent jurisdiction or administrative agency be construed in favor of application of the tax, notwithstanding any contrary common law rule of statutory construction.

NEW SECTION. Sec. 113. A new section is added to chapter 82.04 RCW to read as follows:

(1) To avoid taxing the same sale or exchange under both the business and occupation tax and capital gains tax, a credit is allowed against taxes due under this chapter on a sale or exchange that is also subject to the tax imposed under section 102 of this act. The credit is equal to the amount of tax imposed under this chapter on such sale or exchange.

(2) The credit may be used against any tax due under this chapter.

(3) The credit under this section is earned in regards to a sale or exchange, and may be claimed against taxes due under this chapter, for the tax reporting period in which the sale or exchange occurred. The credit claimed for a tax reporting period may not exceed the tax otherwise due under this chapter for that tax reporting period. Unused credit may not be carried forward or backward to another tax
reporting period. No refunds may be granted for unused credit under this section.

(4) The department must apply the credit first to taxes deposited into the general fund. If any remaining credit reduces the amount of taxes deposited into the workforce education investment account established in RCW 43.79.195, the department must notify the state treasurer of such amounts monthly, and the state treasurer must transfer those amounts from the general fund to the workforce education investment account.

NEW SECTION. Sec. 114. A new section is added to chapter 82.32 RCW to read as follows:

(1) The department may enter into reciprocal tax collection agreements with the taxing officials of any other state imposing a specified tax. Agreements authorized under this section must require each state to offset delinquent specified taxes owed by a taxpayer to one party to the agreement, including any associated penalties, interest, or other additions, against refunds of overpaid specified taxes owed to the taxpayer by the other party to the agreement. Such agreements may also include provisions governing the sharing of information relevant to the administration of specified taxes. However, the department may not share return or tax information with other states except as allowed under RCW 82.32.330. Likewise, the department may not share federal tax information with other states without the express written consent of the internal revenue service.

(2) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Specified taxes" means generally applicable state and local sales taxes and use taxes, broad-based state gross receipts taxes, state income taxes, and stand-alone state taxes on capital gains or interest and dividends. "Specified taxes" includes, but is not limited to, the taxes imposed in, or under the authority of, chapters 82.04, 82.08, 82.12, 82.14, 82.16, and 82.--- RCW (the new chapter created in section 202 of this act), and similar taxes imposed by another state. For purposes of this subsection (2)(a), "gross receipts tax," "income tax," "sales tax," and "use tax" have the same meanings as provided in RCW 82.56.010.

(b) "State" has the same meaning as provided in RCW 82.56.010.
NEW SECTION.  Sec. 115. The first $350,000,000 in revenues from taxes collected under this chapter during any calendar year, as well as penalties and interest collected during the calendar year, must be deposited into the education legacy trust account created under RCW 83.100.230. The remainder shall be deposited into the taxpayer relief account hereby created in the state treasury.

Part II

Miscellaneous Provisions

NEW SECTION.  Sec. 201. The provisions of RCW 82.32.805 and 82.32.808 do not apply to this act.

NEW SECTION.  Sec. 202. Sections 101 through 112 and 115 of this act constitute a new chapter in Title 82 RCW.

NEW SECTION.  Sec. 203. (1) If a court of competent jurisdiction, in a final judgment not subject to appeal, adjudges section 102 of this act unconstitutional, or otherwise invalid, in its entirety, section 113 of this act is null and void in its entirety. Any credits previously claimed under section 113 of this act must be repaid within 30 days of the department of revenue's notice to the taxpayer of the amount due.

(2) If the taxpayer fails to repay the credit by the due date, interest and penalties as provided in chapter 82.32 RCW apply to the deficiency.

NEW SECTION.  Sec. 204. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION.  Sec. 205. Sections 101 through 115 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and take effect immediately.
