Sec. 1. RCW 66.24.140 and 2020 c 238 s 1 are each amended to read as follows:

(1) There is a license to distillers, including blending, rectifying, and bottling; fee two thousand dollars per annum, unless provided otherwise as follows:

(a) For distillers producing one hundred fifty thousand gallons or less of spirits with at least half of the raw materials used in the production grown in Washington, the license fee must be reduced to one hundred dollars per annum;

(c) The board must license stills used and to be used solely and only for laboratory purposes in any school, college, or educational institution in the state, without fee; (and)

(d) The board must license stills that have been duly licensed as fruit and/or wine distilleries by the federal government, used and to be used solely as fruit and/or wine distilleries in the production of fruit brandy and wine spirits, at a fee of two hundred dollars per annum;

(e) The annual fees in this subsection (1) are waived for a period beginning on the effective date of this section and expiring one year after the effective date of this section; and

(f) The waivers in (e) of this subsection do not apply to any licensee that:

(i) Had their license suspended by the board for health and safety violations of state COVID-19 guidelines; or

(ii) Received an order of restraint or citation from the department of labor and industries for allowing an employee to perform work where business activity was prohibited in violation of an emergency proclamation of the governor under RCW 43.06.220.

(2) Any distillery licensed under this section may:

(a) Sell, for off-premises consumption, spirits of the distillery's own production, spirits produced by another distillery or craft distillery licensed in this state, or vermouth or sparkling wine products produced by a licensee in this state. A distillery selling spirits or other alcohol authorized under this subsection must comply with the applicable laws and rules relating to retailers for those products;

(b) Contract distilled spirits for, and sell contract distilled spirits to, holders of distillers' or manufacturers' licenses, including licenses issued under RCW 66.24.520, or for export; and

(c) Serve samples of spirits for free or for a charge, and sell servings of spirits, vermouth, and sparkling wine to customers for on-premises consumption, at the premises of the distillery indoors, outdoors, or in any combination thereof, and at the distillery's off-site tasting rooms in accordance with this chapter, subject to the following conditions:

(i) A distillery may provide to customers, for free or for a charge, for on-premises consumption, spirits samples that are one-half ounce or less per sample of spirits, and that may be adulterated
with water, ice, other alcohol entitled to be served or sold on the licensed premises under this section, or nonalcoholic mixers;

(ii) A distillery may sell, for on-premises consumption, servings of spirits of the distillery's own production or spirits produced by another distillery or craft distillery licensed in this state, which must be adulterated with water, ice, other alcohol entitled to be sold or served on the licensed premises, or nonalcoholic mixers if the revenue derived from the sale of spirits for on-premises consumption under this subsection (2)(c)(ii) does not comprise more than thirty percent of the overall gross revenue earned in the tasting room during the calendar year. Any distiller who sells adulterated products under this subsection, must file an annual report with the board that summarizes the distiller's revenue sources; and

(iii) A distillery may sell, for on-premises consumption, servings of vermouth or sparkling wine products produced by a licensee in this state.

(3)(a) If a distillery provides or sells spirits or other alcohol products authorized to be sold or provided to customers for on-premises or off-premises consumption that are produced by another distillery, craft distillery, or licensee in this state, then at any one time no more than twenty-five percent of the alcohol stock-keeping units offered or sold by the distillery at its distillery premises and at any off-site tasting rooms licensed under RCW 66.24.146 may be vermouth, sparkling wine, or spirits made by another distillery, craft distillery, or licensee in this state. If a distillery sells fewer than twenty alcohol stock-keeping units of products of its own production, it may sell up to five alcohol stock-keeping units of vermouth, sparkling wine, or spirits produced by another distillery, craft distillery, or licensee in this state.

(b) A person is limited to receiving or purchasing, for on-premises consumption, no more than two ounces total of spirits that are unadulterated. Any additional spirits purchased for on-premises consumption must be adulterated as authorized in this section.

(c)(i) No person under twenty-one years of age may be on the premises of a distillery tasting room, including an off-site tasting room licensed under RCW 66.24.146, unless they are accompanied by their parent or legal guardian.

(ii) Every distillery tasting room, including the off-site tasting rooms licensed under RCW 66.24.146, where alcohol is sampled,
sold, or served, must include a designated area where persons under twenty-one years of age are allowed to enter. Such location may be in a separate room or a designated area within the tasting room separated from the remainder of the tasting room space as authorized by the board.

(iii) Except for (c)(iv) of this subsection, or an event where a private party has secured a private banquet permit, no person under twenty-one years of age may be on the distillery premises, or the off-site tasting rooms licensed under RCW 66.24.146, past 9:00 p.m.

(iv) Notwithstanding the limitations of (c)(iii) of this subsection, persons under twenty-one years of age who are children of owners, operators, or managers of a distillery or an off-site tasting room licensed under RCW 66.24.146, may be in any area of a distillery, tasting room, or an off-site tasting room licensed under RCW 66.24.146, provided they must be under the direct supervision of their parent or legal guardian while on the premises.

(d) Any person serving or selling spirits or other alcohol authorized to be served or sold by a distillery must obtain a class 12 alcohol server permit.

(e) A distillery may sell nonalcoholic products at retail.

Sec. 2. RCW 66.24.146 and 2020 c 238 s 3 are each amended to read as follows:

(1) There is a tasting room license available to distillery and craft distillery licensees. A tasting room license authorizes the operation of an off-site tasting room, in addition to a tasting room attached to the distillery's or craft distillery's production facility, at which the licensee may sample, serve, and sell spirits and alcohol products authorized to be sampled, served, and sold under RCW 66.24.140 and 66.24.145, for on-premises and off-premises consumption, subject to the same limitations as provided in RCW 66.24.140 and 66.24.145.

(2)(a) A distillery or craft distillery licensed production facility is eligible for no more than two off-site tasting room licenses located in this state, which may be indoors, or outdoors or a combination thereof, and which shall be administratively tied to a licensed production facility. A separate license is required for the operation of each off-site tasting room. The fee for each off-site tasting room license is two thousand dollars per annum. No additional license is required for a distillery or craft distillery to sample,
serve, and sell spirits and alcohol to customers in a tasting room on
the distillery or craft distillery premises as authorized under this
section, RCW 66.24.1472, 66.24.140, 66.24.145, 66.28.040, 66.24.630,
and 66.28.310. Off-site tasting rooms may have a section identified
and segregated as federally bonded spaces for the storage of bulk or
packaged spirits. Product of the licensee's production may be bottled
or packaged in the space.

(b) The annual fee in (a) of this subsection is waived for a
period beginning on the effective date of this section and expiring
one year after the effective date of this section.

(c) The waiver in (b) of this subsection does not apply to any
licensee that:

(i) Had their license suspended by the board for health and
safety violations of state COVID-19 guidelines; or

(ii) Received an order of restraint or citation from the
department of labor and industries for allowing an employee to
perform work where business activity was prohibited in violation of
an emergency proclamation of the governor under RCW 43.06.220.

Sec. 3. RCW 66.24.170 and 2019 c 169 s 1 are each amended to
read as follows:

(1) (a) There is a license for domestic wineries; fee to be
computed only on the liters manufactured: Less than two hundred fifty
thousand liters per year, one hundred dollars per year; and two
hundred fifty thousand liters or more per year, four hundred dollars
per year.

(b) The annual fees in (a) of this subsection are waived for a
period beginning on the effective date of this section and expiring
one year after the effective date of this section.

(c) The waivers in (b) of this subsection do not apply to any
licensee that:

(i) Had their license suspended by the board for health and
safety violations of state COVID-19 guidelines; or

(ii) Received an order of restraint or citation from the
department of labor and industries for allowing an employee to
perform work where business activity was prohibited in violation of
an emergency proclamation of the governor under RCW 43.06.220.

(2) The license allows for the manufacture of wine in Washington
state from grapes or other agricultural products.
(3) Any domestic winery licensed under this section may also act as a retailer of wine of its own production. Any domestic winery licensed under this section may act as a distributor of its own production. Notwithstanding any language in this title to the contrary, a domestic winery may use a common carrier to deliver up to one hundred cases of its own production, in the aggregate, per month to licensed Washington retailers. A domestic winery may not arrange for any such common carrier shipments to licensed retailers of wine not of its own production. Except as provided in this section, any winery operating as a distributor and/or retailer under this subsection must comply with the applicable laws and rules relating to distributors and/or retailers, except that a winery operating as a distributor may maintain a warehouse off the premises of the winery for the distribution of wine of its own production provided that: (a) The warehouse has been approved by the board under RCW 66.24.010; and (b) the number of warehouses off the premises of the winery does not exceed one.

(4)(a) A domestic winery licensed under this section, at locations separate from any of its production or manufacturing sites, may serve samples of its own products, with or without charge, may sell wine of its own production at retail, and may sell for off-premises consumption wines of its own production in kegs or sanitary containers meeting the applicable requirements of federal law brought to the premises by the purchaser or furnished by the licensee and filled at the tap at the time of sale, provided that: (i) Each additional location has been approved by the board under RCW 66.24.010; (ii) the total number of additional locations does not exceed four; (iii) a winery may not act as a distributor at any such additional location; and (iv) any person selling or serving wine at an additional location for on-premises consumption must obtain a class 12 or class 13 alcohol server permit. Each additional location is deemed to be part of the winery license for the purpose of this title. At additional locations operated by multiple wineries under this section, if the board cannot connect a violation of RCW 66.44.200 or 66.44.270 to a single licensee, the board may hold all licensees operating the additional location jointly liable. Nothing in this subsection may be construed to prevent a domestic winery from holding multiple domestic winery licenses.

(b) A customer of a domestic winery may remove from the premises of the domestic winery or from a tasting room location approved under
(a) of this subsection, recorked or recapped in its original container, any portion of wine purchased for on-premises consumption.

(5)(a) A domestic winery licensed under this section may apply to the board for an endorsement to sell wine of its own production at retail for off-premises consumption at a qualifying farmers market. The annual fee for this endorsement is seventy-five dollars. An endorsement issued pursuant to this subsection does not count toward the four additional retail locations limit specified in this section.

(b) For each month during which a domestic winery will sell wine at a qualifying farmers market, the winery must provide the board or its designee a list of the dates, times, and locations at which bottled wine may be offered for sale. This list must be received by the board before the winery may offer wine for sale at a qualifying farmers market.

(c) The wine sold at qualifying farmers markets must be made entirely from grapes grown in a recognized Washington appellation or from other agricultural products grown in this state.

(d) Each approved location in a qualifying farmers market is deemed to be part of the winery license for the purpose of this title. The approved locations under an endorsement granted under this subsection include tasting or sampling privileges subject to the conditions pursuant to RCW 66.24.175. The winery may not store wine at a farmers market beyond the hours that the winery offers bottled wine for sale. The winery may not act as a distributor from a farmers market location.

(e) Before a winery may sell bottled wine at a qualifying farmers market, the farmers market must apply to the board for authorization for any winery with an endorsement approved under this subsection to sell bottled wine at retail at the farmers market. This application shall include, at a minimum: (i) A map of the farmers market showing all booths, stalls, or other designated locations at which an approved winery may sell bottled wine; and (ii) the name and contact information for the on-site market managers who may be contacted by the board or its designee to verify the locations at which bottled wine may be sold. Before authorizing a qualifying farmers market to allow an approved winery to sell bottled wine at retail at its farmers market location, the board must notify the persons or entities of such application for authorization pursuant to RCW 66.24.010 (8) and (9). An authorization granted under this subsection

p. 7  SB 5272
(5)(e) may be withdrawn by the board for any violation of this title or any rules adopted under this title.

(f) The board may adopt rules establishing the application and approval process under this section and such additional rules as may be necessary to implement this section.

(g) For the purposes of this subsection:

(i) "Qualifying farmers market" means an entity that sponsors a regular assembly of vendors at a defined location for the purpose of promoting the sale of agricultural products grown or produced in this state directly to the consumer under conditions that meet the following minimum requirements:

(A) There are at least five participating vendors who are farmers selling their own agricultural products;

(B) The total combined gross annual sales of vendors who are farmers exceeds the total combined gross annual sales of vendors who are processors or resellers. However, if a farmers market does not satisfy this subsection (5)(g)(i)(B), a farmers market is still considered a "qualifying farmers market" if the total combined gross annual sales of farmers and processors at the farmers market is one million dollars or more;

(C) The total combined gross annual sales of vendors who are farmers, processors, or resellers exceeds the total combined gross annual sales of vendors who are not farmers, processors, or resellers;

(D) The sale of imported items and secondhand items by any vendor is prohibited; and

(E) No vendor is a franchisee.

(ii) "Farmer" means a natural person who sells, with or without processing, agricultural products that he or she raises on land he or she owns or leases in this state or in another state's county that borders this state.

(iii) "Processor" means a natural person who sells processed food that he or she has personally prepared on land he or she owns or leases in this state or in another state's county that borders this state.

(iv) "Reseller" means a natural person who buys agricultural products from a farmer and resells the products directly to the consumer.

(6) Wine produced in Washington state by a domestic winery licensee may be shipped out-of-state for the purpose of making it
into sparkling wine and then returned to such licensee for resale. Such wine is deemed wine manufactured in the state of Washington for the purposes of RCW 66.24.206, and shall not require a special license.

(7) During an event held by a nonprofit holding a special occasion license issued under RCW 66.24.380, a domestic winery licensed under this section may take orders, either in writing or electronically, and accept payment for wines of its own production under the following conditions:

(a) Wine produced by the domestic winery may be served for on-premises consumption by the special occasion licensee;
(b) The domestic winery delivers wine to the consumer on a date after the conclusion of the special occasion event;
(c) The domestic winery delivers wine to the consumer at a location different from the location at which the special occasion event is held;
(d) The domestic winery complies with all requirements in chapter 66.20 RCW for direct sale of wine to consumers;
(e) The wine is not sold for resale; and
(f) The domestic winery is entitled to all proceeds from the sale and delivery of its wine to a consumer after the conclusion of the special occasion event, but may enter into an agreement to share a portion of the proceeds of these sales with the special occasion licensee licensed under RCW 66.24.380.

Sec. 4. RCW 66.24.240 and 2020 c 230 s 1 are each amended to read as follows:

(1) (a) There shall be a license for domestic breweries; fee to be two thousand dollars for production of sixty thousand barrels or more of malt liquor per year.
(b) The annual fee in (a) of this subsection is waived for a period beginning on the effective date of this section and expiring one year after the effective date of this section.
(c) The waiver in (b) of this subsection does not apply to any licensee that:
(i) Had their license suspended by the board for health and safety violations of state COVID-19 guidelines; or
(ii) Received an order of restraint or citation from the department of labor and industries for allowing an employee to
perform work where business activity was prohibited in violation of
an emergency proclamation of the governor under RCW 43.06.220.

(2) Any domestic brewery, except for a brand owner of malt
beverages under RCW 66.04.010(7), licensed under this section may
also act as a distributor and/or retailer for beer of its own
production. Any domestic brewery operating as a distributor and/or
retailer under this subsection shall comply with the applicable laws
and rules relating to distributors and/or retailers. A domestic
brewery holding a spirits, beer, and wine restaurant license may sell
beer of its own production for off-premises consumption from its
restaurant premises in kegs or in a sanitary container brought to the
premises by the purchaser or furnished by the licensee and filled at
the tap by the licensee at the time of sale.

(3) Any domestic brewery licensed under this section may also
sell beer produced by another domestic brewery or a microbrewery for
on and off-premises consumption from its premises as long as the
other breweries' brands do not exceed twenty-five percent of the
domestic brewery's on-tap offering of its own brands.

(4) A domestic brewery may hold up to four retail licenses to
operate an on or off-premises tavern, beer and/or wine restaurant,
spirits, beer, and wine restaurant, or any combination thereof. This
retail license is separate from the brewery license. A brewery that
holds a tavern license, a spirits, beer, and wine restaurant license,
or a beer and/or wine restaurant license shall hold the same
privileges and endorsements as permitted under RCW 66.24.320,

(5) Any domestic brewery licensed under this section may
contract-produce beer for a brand owner of malt beverages defined
under RCW 66.04.010(7), and this contract-production is not a sale
for the purposes of RCW 66.28.170 and 66.28.180.

(6)(a) A domestic brewery licensed under this section and
qualified for a reduced rate of taxation pursuant to RCW
66.24.290(3)(b) may apply to the board for an endorsement to sell
bottled beer of its own production at retail for off-premises
consumption at a qualifying farmers market. The annual fee for this
endorsement is seventy-five dollars.

(b) For each month during which a domestic brewery will sell beer
at a qualifying farmers market, the domestic brewery must provide the
board or its designee a list of the dates, times, and locations at
which bottled beer may be offered for sale. This list must be
received by the board before the domestic brewery may offer beer for
sale at a qualifying farmers market.

(c) The beer sold at qualifying farmers markets must be produced
in Washington.

(d) Each approved location in a qualifying farmers market is
deemed to be part of the domestic brewery license for the purpose of
this title. The approved locations under an endorsement granted under
this subsection do not include the tasting or sampling privilege of a
domestic brewery. The domestic brewery may not store beer at a
farmers market beyond the hours that the domestic brewery offers
bottled beer for sale. The domestic brewery may not act as a
distributor from a farmers market location.

(e) Before a domestic brewery may sell bottled beer at a
qualifying farmers market, the farmers market must apply to the board
for authorization for any domestic brewery with an endorsement
approved under this subsection to sell bottled beer at retail at the
farmers market. This application shall include, at a minimum: (i) A
map of the farmers market showing all booths, stalls, or other
designated locations at which an approved domestic brewery may sell
bottled beer; and (ii) the name and contact information for the on-
site market managers who may be contacted by the board or its
designee to verify the locations at which bottled beer may be sold.
Before authorizing a qualifying farmers market to allow an approved
domestic brewery to sell bottled beer at retail at its farmers market
location, the board shall notify the persons or entities of such
application for authorization pursuant to RCW 66.24.010 (8) and (9).
An authorization granted under this subsection (6)(e) may be
withdrawn by the board for any violation of this title or any rules
adopted under this title.

(f) The board may adopt rules establishing the application and
approval process under this section and such additional rules as may
be necessary to implement this section.

(g) For the purposes of this subsection:

(i) "Qualifying farmers market" means an entity that sponsors a
regular assembly of vendors at a defined location for the purpose of
promoting the sale of agricultural products grown or produced in this
state directly to the consumer under conditions that meet the
following minimum requirements:

(A) There are at least five participating vendors who are farmers
selling their own agricultural products;
(B) The total combined gross annual sales of vendors who are farmers exceeds the total combined gross annual sales of vendors who are processors or resellers;

(C) The total combined gross annual sales of vendors who are farmers, processors, or resellers exceeds the total combined gross annual sales of vendors who are not farmers, processors, or resellers;

(D) The sale of imported items and secondhand items by any vendor is prohibited; and

(E) No vendor is a franchisee.

(ii) Received an order of restraint or citation from the department of labor and industries for allowing an employee to
perform work where business activity was prohibited in violation of an emergency proclamation of the governor under RCW 43.06.220.

(2)(a) Any microbrewery licensed under this section may also act as a distributor and/or retailer for beer and strong beer of its own production.

(b) Any microbrewery operating as a distributor and/or retailer under this subsection must comply with the applicable laws and rules relating to distributors and/or retailers, except that a microbrewery operating as a distributor may maintain a warehouse off the premises of the microbrewery for the distribution of beer provided that:

(i) The warehouse has been approved by the board under RCW 66.24.010; and

(ii) The number of warehouses off the premises of the microbrewery does not exceed one.

(5) A microbrewery that holds a tavern license, spirits, beer, and wine restaurant license, or a beer and/or wine restaurant license holds the same privileges and endorsements as permitted under RCW 66.24.320, 66.24.330, and 66.24.420.

(6)(a) A microbrewery licensed under this section may apply to the board for an endorsement to sell bottled beer of its own production at retail for off-premises consumption at a qualifying farmers market. The annual fee for this endorsement is seventy-five dollars. However, strong beer may not be sold at a farmers market or
under any endorsement which may authorize microbreweries to sell beer at farmers markets.

(b) For each month during which a microbrewery will sell beer at a qualifying farmers market, the microbrewery must provide the board or its designee a list of the dates, times, and locations at which bottled beer may be offered for sale. This list must be received by the board before the microbrewery may offer beer for sale at a qualifying farmers market.

(c) Any person selling or serving beer must obtain a class 12 or class 13 alcohol server permit.

An authorization granted under this subsection (6)(f) may be withdrawn by the board for any violation of this title or any rules adopted under this title.
