8 any jurisdiction that have occurred within the two years prior to the
9 present year's filing deadline. Such employment, labor, or civil
10 rights laws include:

11 (i) Wage and hour laws as provided in RCW 49.12.020 and
12 49.12.150;

25 annually by a date set by the department. The department must set the
26 first due date no later than December 31, 2021.

27 (c) The department must provide the disclosure required in (a) of
28 this subsection to the department of labor and industries, and the
29 department of labor and industries must subsequently verify the
30 disclosed information against its own records. Organizations
31 representing workers, including labor unions and worker centers, may
32 submit reports of applicable adjudicated actions against a person
33 required to make a disclosure in (a) of this subsection, to the
34 department of labor and industries. The department of labor and
35 industries must notify the department of the accuracy of each
36 disclosure upon completing its verification.

37 (d) A person is not eligible for the exemption provided in
38 subsection (1) of this section for a given calendar year if the

1 present year's filing deadline of the disclosure required in (a) of
2 this subsection.

3 (e) A person found to be ineligible for the exemption as provided
4 in subsection (1) of this section may in a later year claim a refund
5 equal to the value of the exemption for the prior unclaimed tax year,
6 if the adjudicated action, as disclosed in (a) of this subsection, is
7 overturned on an appeal and the person submits to the department
8 evidence of a favorable final judgment regarding the appealed
9 compliance matter, and the department, after review, notifies the
10 person of his or her eligibility to claim the value of the exemption
11 for the prior unclaimed tax year. The conditions of RCW 82.32.060
12 apply to this subsection (4) (e).

13 (5) This section expires July 1, 2025.

14 **Sec. 2.** RCW 82.32.534 and 2017 c 135 s 1 are each amended to
15 read as follows:

16 (1) (a) (i) Beginning in calendar year 2018, every person claiming
17 a tax preference that requires an annual tax performance report under
18 this section must file a complete annual report with the department.
19 The report is due by May 31st of the year following any calendar year
20 in which a person becomes eligible to claim the tax preference that
21 requires a report under this section.

22 (ii) If the tax preference is a deferral of tax, the first annual
23 tax performance report must be filed by May 31st of the calendar year
24 following the calendar year in which the investment project is
25 certified by the department as operationally complete, and an annual
26 tax performance report must be filed by May 31st of each of the seven
27 succeeding calendar years.

28 (iii) The department may extend the due date for timely filing of
29 annual reports under this section as provided in RCW 82.32.590.

30 (b) The report must include information detailing employment and
31 wages for employment positions in Washington for the year that the
32 tax preference was claimed. However, persons engaged in manufacturing
33 commercial airplanes or components of such airplanes may report
34 employment, wage, and benefit information per job at the
35 manufacturing site for the year that the tax preference was claimed.
36 The report must not include names of employees. The report must also
37 detail employment by the total number of full-time, part-time, and
38 temporary positions for the year that the tax preference was claimed.
39 In lieu of reporting employment and wage data required under this

1 subsection, taxpayers may instead opt to allow the employment
2 security department to release the same employment and wage
3 information from unemployment insurance records to the department and
4 the joint legislative audit and review committee. This option is
5 intended to reduce the reporting burden for taxpayers, and each
6 taxpayer electing to use this option must affirm that election in
7 accordance with procedures approved by the employment security
8 department.

9 (c) Persons receiving the benefit of the tax preference provided
10 by RCW 82.16.0421 or claiming any of the tax preferences provided by
11 RCW 82.04.2909, 82.04.4481, 82.08.805, 82.12.805, or 82.12.022(5)
12 must indicate on the annual report the quantity of product produced
13 in this state during the time period covered by the report.

14 (d) If a person filing a report under this section did not file a
15 report with the department in the previous calendar year, the report
16 filed under this section must also include employment, wage, and
17 benefit information for the calendar year immediately preceding the
18 calendar year for which a tax preference was claimed.

19 (2)(a) As part of the annual report, the department and the joint
20 legislative audit and review committee may request additional
21 information necessary to measure the results of, or determine
22 eligibility for, the tax preference.

23 (b) The report must include the amount of the tax preference
24 claimed for the calendar year covered by the report. For a person
25 that claimed an exemption provided in RCW 82.08.025651 or
26 82.12.025651, the report must include the amount of tax exempted
27 under those sections in the prior calendar year for each general area
28 or category of research and development for which exempt machinery
29 and equipment and labor and services were acquired in the prior
30 calendar year.

31 (3) Other than information requested under subsection (2)(a) of
32 this section, the information contained in an annual report filed
33 under this section is not subject to the confidentiality provisions
34 of RCW 82.32.330 and (~~may be disclosed to the public~~) must be made
35 available for the public to inspect, and the department will make all
36 such information publicly available upon request.

37 (4)(a) Except as otherwise provided by law, if a person claims a
38 tax preference that requires an annual report under this section but
39 fails to submit a complete report by the due date or any extension
40 under RCW 82.32.590, the department must declare:

1 (i) Thirty-five percent of the amount of the tax preference
2 claimed for the previous calendar year to be immediately due and
3 payable;

4 (ii) An additional fifteen percent of the amount of the tax
5 preference claimed for the previous calendar year to be immediately
6 due and payable if the person has previously been assessed under this
7 subsection (4) for failure to submit a report under this section for
8 the same tax preference; and

9 (iii) If the tax preference is a deferral of tax, the amount
10 immediately due under this subsection is twelve and one-half percent
11 of the deferred tax. If the economic benefits of the deferral are
12 passed to a lessee, the lessee is responsible for payment to the
13 extent the lessee has received the economic benefit.

14 (b) The department may not assess interest or penalties on
15 amounts due under this subsection.

16 (5) The department must use the information from this section to
17 prepare summary descriptive statistics by category. No fewer than
18 three taxpayers may be included in any category. The department must
19 report these statistics to the legislature each year by December
20 31st.

21 (6) For the purposes of this section:

22 (a) "Person" has the meaning provided in RCW 82.04.030 and also
23 includes the state and its departments and institutions.

24 (b) "Tax preference" has the meaning provided in RCW 43.136.021
25 and includes only the tax preferences requiring a report under this
26 section.
