By Senators Brown, Conway, Honeyford, King, Lovick, Short, Van De Wege, Warnick, Wellman, C. Wilson, J. Wilson, and L. Wilson

Read first time 01/18/22. Referred to Committee on Health & Long Term Care.

1 AN ACT Relating to establishing pilot projects for utilizing high
2 school student nursing assistant-certified programs to address the
3 nursing workforce shortage and promote nursing careers in rural
4 hospitals; creating a new section; and providing an expiration date.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** (1) The nursing care quality assurance
7 commission, in collaboration with rural hospitals, nursing assistant-
8 certified training programs, and the department of labor and
9 industries, shall establish at least two pilot projects for rural
10 hospitals to utilize high school students who are training to become
11 nursing assistant-certified or high school students who are nursing
12 assistant-certified to help address the workforce shortages and
13 promote nursing careers in rural hospitals.

14 (2) At least one of the rural hospitals participating in the
15 pilot projects must be east of the Cascade mountains and at least one
16 of the rural hospitals participating in the pilot projects must be
17 west of the Cascade mountains.

18 (3) The pilot projects shall prioritize using the nursing
19 assistant-certified high school students to their full scope of
20 practice and identify any barriers to doing this.

1 (4) Beginning December 1, 2023, the nursing care quality
2 assurance commission shall annually report the status of the pilot
3 projects and any findings and recommendations to the health care
4 committees of the legislature.

5 (5) This section expires June 30, 2025.
