5 through "homepage" and insert "privacy policy on its homepage or in  
6 another manner that is clear and conspicuous to consumers"

7

8 On page 9, beginning on line 18, after "the" strike all material  
9 through "data" on line 19

10

11 On page 9, beginning on line 23, after "the" strike all material  
12 through "data" on line 24

13

14 On page 9, line 29, after "entity's" strike "consumer health data"

15

16

EFFECT: Removes the requirement that a regulated entity maintain a privacy policy specifically for consumer health data and instead requires a regulated entity to maintain a general privacy policy. Permits a regulated entity to publish a link to its privacy policy in a clear and conspicuous manner, as an alternative to publishing the link on the regulated entity's homepage.
