1 On page 6, after line 33, insert the following:

2 "(5) If an independent repair provider attempts to repair a
3 customer's digital electronic equipment that is under the original
4 manufacturer's warranty period and such attempted repair renders the
5 digital electronic device inoperable, the independent repair provider
6 shall provide the customer with an identical replacement of the
7 digital electronic equipment or, if an identical replacement is not
8 available, an upgraded version of the digital electronic equipment."

EFFECT: Requires an independent repair provider to replace a customer's digital electronic equipment with either an identical version or an upgraded version if during a repair on the customer's digital electronic equipment that is under the original manufacturer's warranty period the equipment is rendered inoperable.
