1 On page 6, line 16, after "(h)" insert "If, at any time, an  
2 applicant informs the local government, in writing, that the applicant  
3 would like to temporarily suspend the review of the project for more  
4 than 60 days, or if an applicant is not responsive for more than 60  
5 consecutive days after the county or city has notified the applicant,  
6 in writing, that additional information is required to further process  
7 the application, an additional 30 days may be added to the time  
8 periods for local government action to issue a final decision for each  
9 type of project permit application or project type that is subject to  
10 this chapter. Any written notice from the local government to the  
11 applicant that additional information is required to further process  
12 the application must include a notice that non-responsiveness for 60

14 review. For the purposes of this subsection, "non-responsiveness"  
15 means that an applicant is not making demonstrable progress on  
16 providing additional requested information to the local government, or  
17 that there is no ongoing communication from the applicant to the local  
18 government on the applicant's ability or willingness to provide the
