

SHB 1705 - H AMD 91

By Representative Duerr

ADOPTED 03/04/2023

1 On page 2, line 14, after "district" strike "must notify and
2 consult with" and insert "should notify"

3
4 On page 2, line 15, after "district." insert "The ordinary
5 maintenance of stormwater control facilities by a county does not
6 require notification to a diking or drainage district."

7
8 On page 2, line 25, after "thereof" strike "is" and insert
9 "pursuant to a written agreement as provided for in subsection (3)(b)
10 of this section may be"

11

EFFECT:

- Provides that a county should, instead of must, notify a diking and drainage control district when the county intends to extend or improve any portion of a stormwater control facility that is located and interacting with the water within such a district, and removes the requirement that the county consult with the district in such circumstances.
- Provides that the ordinary maintenance of stormwater control facilities by a county does not require notification to be provided to a diking or drainage district.
- Provides that only a diking district that operates a stormwater control facility that was transferred to the district from the county pursuant to a written agreement may be eligible receive a portion of the stormwater control rates and charges assessed by the county.
