1 On page 4, beginning on line 9, after "(d)" strike all material
2 through "revocable" on line 12 and insert "If a city, town, or special
3 purpose district repeals an ordinance, charter amendment, or policy
4 that moved its elections to even-numbered years, the jurisdiction
5 shall transition back to odd-numbered year elections by electing each
6 position to one term that is one year shorter in duration than
7 provided by law. After conclusion of that term, beginning in an odd-
8 numbered year, elections for positions must be for their prescribed
9 term lengths"
10

EFFECT: Permits a jurisdiction to repeal its decision to switch its elections to even-numbered years, and specifies a procedure for the transition back to even-numbered years that mirrors the initial transition to odd-numbered years.
