EFFECT: Increases staffing ratios in the 2023-24 school year for paraeducators, office support, and non-instructional aides by 0.076 per staff type per school level, rather than 0.068 per staff type per school level in the committee striking amendment. The fiscal impact would increase state funding by approximately \$7.6 million in the 23-25 biennium and \$16.4 million over the 4-year outlook period due to the higher staffing ratios.
